the harsh realities of civil war life as seen through the eyes of the hard fighting upstate new york regiment the 121st new york state volunteer infantry regiment combs letters diaries and memoirs to let the soldiers recount the war in their own words following them from enlistment through combat and back to civilian life

when american and south vietnamese forces led by general creighton abrams launched an attack into neutral cambodia in 1970 the invasion ignited a firestorm of violent antiwar protests throughout the united states dealing yet another blow to nixon s troubled presidency but as john shaw shows the campaign also proved to be a major military success most histories of the vietnam war either give the cambodian invasion short shrift or merely criticize it for its political fallout thus neglecting one of the campaign s key dimensions approaching the subject from a distinctly military perspective shaw shows how this carefully planned and executed offensive provided essential support for nixon s decent interval and peace with honor strategies by eliminating north vietnamese sanctuaries and supply bases located less than a hundred miles from saigon and by pushing communist troops off the vietnamese border despite the political cloud under which the operation was conducted shaw argues that it was not only the best of available choices but one of the most successful operations of the entire war sustaining light casualties while protecting american troop withdrawal and buying time for nixon s pacification and vietnamization strategies he also shows how the united states took full advantage of fortuitous events such as the overthrow of cambodia s prince sihanouk the redeployment of north vietnamese forces and the late arrival of spring monsoons although critics of the operation have protested that the north vietnamese never did attack out of cambodia shaw makes a persuasive case that the near border threat was very real and imminent in the end he contends the campaign effectively precluded any major north vietnamese military operations for over a year based on exhaustive research and a deep analysis of the invasion s objectives planning organization and operations shaw s shrewd study encourages a newfound respect for one of america s genuine military successes during the war

no mission too difficult no sacrifice too great duty first for almost a century from the western front of world war i to the deserts of iraq this motto has spurred the soldiers who wear the shoulder patch bearing the big red one in this first comprehensive history of america s 1st infantry division james scott wheeler chronicles its major combat engagements and peacetime duties during its legendary service to the nation the oldest continuously serving division in the u s army the fighting first has consistently played a crucial role in america s foreign wars it was the first american division to see combat and achieve victory in world war i and set the standard for discipline training endurance and tactical innovation one of the few intact divisions between the wars it was the first army unit to train for amphibious warfare during world war ii the first division spearheaded the invasions of north africa and sicily before leading the normandy invasion at omaha beach and fighting on through the hurtgen forest the battle of the bulge the ruhr pocket and deep into germany by war s end it had developed successful combined arms regimental combat teams and made advances in night operations wheeler describes the first division s critical role in postwar germany and as the only combat division in europe during the early cold war after returning to the united states at fort riley kansas the division fought valiantly in vietnam for five trying years successfully protecting saigon from major infiltration along highway 13 while pioneering air mobile operations it led the liberation of kuwait in desert storm and kept an uneasy peace in bosnia and kosovo along the way wheeler illuminates the division s organizational evolution its consistently remarkable commanders and leaders and its equally remarkable soldiers meticulously detailed and engagingly written the big red one nimbly combines historical narrative with astute analysis of the unit s successes and failures so that its story reflects the larger chronicle of america s military experience over the past century

fifty years after the korean conflict what is a forgotten war for some americans is an aching memory for china with over a million casualties out of the three million soldiers sent into battle that war looms as large for the people s republic of china prc barely a year old when north korea invaded the south as world war ii does for most other countries it was the first international war fought by the chinese communist regime to halt counterrevolution it was also a war that the chinese fully expected to win by virtue of not only superiority of numbers but also their soldiers superior political quality this book presents a mosaic of memoirs by key chinese military commanders from that war drawing not only on their personal papers but also on still classified archives and on chinese language sources unavailable in english it offers an uncensored behind the scenes story of the communist campaign from the decision to intervene through the truce negotiations that discloses new information on such facets of the war as strategy and tactics use of propaganda and mobilization of the chinese population it also reveals the generals concerns about the possible use of nuclear force and the alleged use of biological and chemical weapons by the united states the book contains a wealth of new materials on the chinese intervention including combat operations logistics political control field command and communications among those whose recollections are recorded then acting chief of staff nie rongzhen reveals how party leadership decided on intervention commander in chief peng dehuai provides personal accounts of major battles and communications with mao and general yang dezhi shares secrets of chinese military strategy and tactics discussing how the army orchestrated each battle to contend with the better equipped un forces the volume also features an updated short history of the prc s conduct of the war based on chinese sources plus rare photos from chinese archives that put readers behind the lines from the chinese side mao s generals remember korea demonstrates that the prc continues to draw military diplomatic and strategic lessons from the war it fought fifty years ago with the world s most powerful military force it offers valuable insight into the chinese way of war and the military mind of mao that will be a rich resource for asian and military scholars

four months before pearl harbour winston churchill and franklin d roosevelt met in secret aboard a ship in a secluded newfoundland harbour this was the first summit conference of world war ii
