ghosts of archive draws on the discourses of deconstruction intersectionality and archetypal psychology to mount an argument that archive is fundamentally and structurally spectral and that the work of archive is justice drawing on more than 20 years of the author s research on deconstruction and archive the book posits archive as an essential resource for social justice activism and as a source or location of soul for individuals and communities through explorations of what jacques derrida termed hauntology harris invites a listening to the call for justice in conceptual spaces that are non disciplinary he argues that archive is both constructed in relation to and beset by ghosts ghosts of the living of the dead and of those not yet born and that attention should be paid to them establishing a unique nexus between a deconstructive intersectionality and traditions of memory for justice in struggles against oppression from south africa and elsewhere the book makes a case for a deconstructive praxis in today s archive offering new ideas about spectrality banditry and archival activism ghosts of archive should appeal to those working in the disciplines of archival science information studies and psychology it should also be essential reading for those

with an interest in social justice issues transitional justice history philosophy memory studies and postcolonial studies

the first book to focus on the experience of lgbt archival research out of the closet into the archives takes readers inside the experience of how it feels to do queer archival research and queer research in the archive the archive much like the closet exposes various levels of public and privateness recognition awareness refusal impulse disclosure framing silence cultural intelligibility each mediated and determined through subjective insider outsider ways of knowing the contributors draw on their experiences conducting research in disciplines such as sociology african american studies english communications performance studies anthropology and women s and gender studies these essays challenge scholars to engage with their affective experience of being in the archive illuminating how the space of the archive requires a different kind of deeply personal embodied research

in the uk professional texts on archives concentrate on the how not the why of professional archival work at the same time studies of the theoretical role of the archive and the text are undertaken in other academic disciplines and there is an established forum for the discussion of related issues this book invites the archivist to that arena of discussion and encourages archivists to step away from the practicalities of keeping archives and to consider what it is they actually do in the cultural context of the early 21st century

displaced archives have long been a problem and their existence continues to trouble archivists historians and government officials displaced archives brings together leading international experts to comprehensively explore the current state of affairs for the first time drawing on case studies from around the world the authors examine displaced archives as a consequence of conflict and colonialism analysing their impact on government administration nation building human rights and justice renewed

action is advocated through considerations of the legal approaches to repatriation the role of the international archival community shared heritage approaches and other solutions the volume offers new theoretical technical and political insights and will be essential reading for practitioners academics and students in the field of archives cultural property and heritage management as well as history politics and international relations

the third volume in saul s history of u s russian relations looks at events surrounding america s entry into the european conflict and its encouragement of continued russian participation even in the face of domestic unrest saul history russian and east european studies u of kansas draws on military and diplomatic archives in both countries to provide detailed accounts of the activities of consular diplomatic and military staffs as well as american businessmen red cross volunteers and journalists who were working in russia his previous diplomatic histories distant friends and concord and conflict cover events from the 18th and 19th centuries c book news inc

directory of archives and libraries in the reunited federal republic of germany description of holdings and publications related to each archive are included arranged with national archives and governmental libraries at the beginning with the bulk of the entries arranged by province city and then the institution
