academic writing has been widely acclaimed in all its editions as a superb textbook and an important contribution to the pedagogy of introducing students to the conventions of academic writing the book seeks to introduce student readers to the lively community of research and writing beyond the classroom with its complex interactions values and goals

it presents writing from a range of disciplines in the humanities social sciences and natural sciences cultivating students awareness of the subtle differences in genre the fourth edition has been revised throughout and includes a new chapter on visual rhetoric a new section on the academic peer review system updated examples expanded exercises and new glossary entries

with updates to every chapter this new fourth edition serves as the premier guide to professional writing for the naval services authored by a naval officer who taught english at two service academies the book is widely used by officers enlisted men and women and civilians in both the navy and marine corps shenk provides sound practical advice on all common naval writing assignments across digital and print platforms fully revised the book reflects the changing landscape of professional communication in general and changes in naval culture in the last decade across the fleet making it an essential guide

in this unique compilation of essays bishop brings together the voices of teachers and students to affirm that the content of writing classrooms is the work that these individuals do together

explores the wide range of scholarship on revision while bringing new light to bear on enduring questions in composition and rhetoric

as lawyers we must not in hot pursuit of common law outrun common sense the dread of that eventuality prompted this book learned writing promotes common sense in legal language plain language which is commonsensical broadens access to legal documents thus democratizing the law if democracy is government of the people by the people and for the people law is the language in which government interacts with the people it is the language of democracy the people whose government speaks through law must understand what is said no democratic society should brook legalese a dense verbose dialect known only to lawyers what then should society do to redress the lawyer induced obscurity a shakespearean character had an alarming proposal the first thing we do let s kill all the lawyers apparently that proposal was not enthusiastically endorsed which explains why we re still here a milder remedy enrolling lawyers in language classes has been muted which explains why this book is in your hands learned writing motivates lawyers to prefer plain language to the legalese and verbosity that have besmirched legal writing for centuries this book is as sweeping a treatment of its subject as you can find anywhere

to validate their institutional continuance as a branch of government writes chinua asuzu judges must make sound decisions they must also articulate and express those decisions efficiently and comprehensibly this book shows how this book will help judges arbitrators and other decision writers master the art and science of judicial writing a most welcome guide judicial writing a benchmark for the benchsets a high yet attainable standard of excellence for writing judicial decisions it will no doubt become the reference point for judging judges and their judgments chinua asuzu is that uncommon lawyer who wrote the uncommon law of learned writing his other works includeanatomy of a brief andfair hearing in nigeria a versatile arbitrator asuzu served as an administrative law judge at the tax appeal tribunal in nigeria from 2010 to 2016 he is now the senior partner of assizes lawfirm a team of tax lawyers

a humorous no holds barred examination of the content of student publications the fourth edition of best selling text the radical write suggests alternatives to the content clichés that dominate high school journalism reporting and writing for all student media is covered for more than 20 years the radical write has been the textbook of choice for advisers student reporters and editors it s message is simple to survive publications must provide essential information and to do that they must tell readers something new and interesting this message is as important for newspapers as it is for yearbooks online broadcast and literary non fiction magazines

this eminently practical volume demystifies legal writing outlines the causes and consequences of bad writing and prescribes straightforward easy to apply remedies that will make your writing readable complete with usage notes that address lawyers most common errors this well organized book is both an invaluable tool for practicing lawyers and a sensible grounding for law students this much revised second edition contains a set of editing exercises and a suggested revision key with explanations to test your skill this book is a definitive guide to becoming a better writer and a better lawyer

this reference handbook surveys research on the central issue associated with the teaching of unprepared writers though basic writing has only been recognized as a distinct area of teaching and research since 1975 the existing bibliographic texts already seem limited due to their age or lack of annotation this volume provides current and extensive bibliographic essays and will help to define this new field of study for teachers and researchers following an introduction that summarizes the origins and significant texts in basic writing the book is divided into three sections social science perspectives

linguistic perspectives and pedagogical perspectives the first section which contains three essays views the field through the lens of social psychological and political issues the second section also containing three essays examines contributions made from studies of grammar dialects and second language acquisition the third section in its four essays focuses on the design development administration and evaluation of basic writing courses the use of computers in basic writing classrooms the role of the writing lab and the preparation of basic writing teachers an appendix that reviews current textbooks for basic writing courses is also included as well as an index this book will be a valuable resource for teachers of basic writing in education courses and workshops that train teachers and tutors and in fields such as linguistics technical writing and teaching english as a second language it will also be an important addition to public and university libraries and many education programs

this updated edition of writing for visual media will enable you to understand the nature of visual writing that lies behind the content of all visual media this unique kind of writing must communicate to audiences through content producers since audiences don't read the script most media content provides a solution to a communication problem which the writer must learn to analyze and solve before writing the script the fourth edition strengthens the method for creating content and writing in the correct language and established format for each visual medium including commercial communication such as ads and psas corporate communications and training an extended investigation into dramatic theory and how entertainment narrative works is illustrated by examples and detailed analysis of scenes scripts and storylines designed to save writers from typical pitfalls and releasing your creative powers of invention writing for visual media will help you to develop an improved foundation for understanding interactive media and writing for non linear content while gaining the tools to effectively connect with your audience like a professional purchase of this book includes access to the companion website which provides sample scripts and video clips of those produced scripts an interactive glossary of camera shots movements and transitions storyboards scripts screenplays and links to industry resource instructor materials such as powerpoint lecture slides a sample syllabus and a test bank visit the site at [routledgegettextbooks.com/textbooks/9780415815857](http://routledgegettextbooks.com/textbooks/9780415815857)
