now available in paperback the l m montgomery reader assembles rediscovered primary material on one of canada's most enduringly popular authors spanning the entirety of her high profile career and the years since her death volume three a legacy in review examines a long overlooked portion of montgomery's critical reception reviews of her books although montgomery downplayed the impact that reviews had on her writing career claiming to be amused and tolerant of reviewers contradictory opinions about her work she nevertheless cared enough to keep a large percentage of them in scrapbooks as an archive of her career this volume presents more than four hundred reviews from eight countries that raise questions about and offer reflections on gender genre setting character audience and nationalism much of which anticipated the scholarship that has thrived in the last four decades each volume in the l m montgomery reader is accompanied by an extensive introduction and detailed commentary by leading montgomery scholar benjamin lefebvre that traces the interplay between the author and the critic as well as between the private and the public montgomery

why do humans who seem to be exemplars of virtue also have the capacity to act in atrocious ways what are the roots of tendencies for sin and evil a popular assumption is that it is our animalistic natures that are responsible for human immorality and sin while our moral nature curtails and contains such tendencies

through human powers of freedom and higher reason this book challenges such assumptions as being far too simplistic through a careful engagement with evolutionary and psychological literature celia deane drummond argues that tendencies towards vice are more often than not distortions of the very virtues that are capable of making us good after beginning with augustine s classic theory of original sin the book probes the philosophical implications of sin s origins in dialogue with the philosophy of paul ricoeur different vices are treated in both individual and collective settings in keeping with a multispecies approach areas covered include selfishness pride violence anger injustice greed envy gluttony deception lying lust despair anxiety and sloth the work of thomas aquinas helps to illuminate and clarify much of this discussion on vice including those vices which are more distinctive for human persons in community with other beings such an approach amounts to a search for the shadow side of human nature shadow sophia facing that shadow is part of a fuller understanding of what makes us human and thus this book is a contribution to both theological anthropology and theological ethics

this first major reassessment of kissinger in over a decade paints a subtle carefully composed portrait of america s most famous and infamous statesman

the blood has ruled the territories for millennia magic gifted humans and animals the strongest of them can travel through gates compel others to their will heal wounds or kill over the generations the rulers have become corrupt torturing and murdering in their quest for absolute power now there is hope for the blood jaenelle angelline a young witch is one of the rare queens gifted with both unusual power and a sense of justice ancient prophecies and new hopes put her between the ruthless plots of other queens and those who have flocked to jaenelle for protection however the blood has become tainted with cruelty and power lust and in the looming war jaenelle s victory may destroy her people more thoroughly than a loss

in this book author louis kriesberg draws on the constructive conflict approach to assess american involvements in foreign conflicts since the onset of the cold war he looks at what went well and what went poorly in order to derive ideas for engaging in conflicts more constructively in the future

this lavishly illustrated reference provides a general discussion of the anatomy reproduction evolution and habitat of spiders as well as describing in detail the genera of australian spiders provides information about the use of silk by spiders poisonous spiders myths and legends associated with spiders and spiders predators includes references a glossary and an index the author has published widely in a number of journals including the australian entomological magazine and the victorian naturalist he won the zoo le souef memorial award in 1987 in recognition of his contribution to amateur entomology
