a practical and simplified guide this revised edition explains how to apply the personality types of the enneagram in one s daily life

this volume contains the proceedings of the 1st international conference on affective computing and intelligent interaction acii 2005 held in beijing china on 22 24 october 2005 traditionally the machine end of human machine interaction has been very passive and certainly has had no means of recognizing or expressing affective information but without the ability to process such information computers cannot be expected to communicate with humans in a natural way the ability to recognize and express affect is one of the most important features of man beings we therefore expect that computers will eventually have to have the ability to process affect and to interact with human users in ways that are similar to those in which humans interact with each other affective computing and intelligent interaction is a key emerging technology that focuses on myriad aspects of the recognition understanding and expression of affective and emotional states by computers the topic is currently a highly active research area and is receiving increasing attention this strong interest is driven by a wide spectrum of promising applications such as virtual reality network games smart surveillance perceptual interfaces etc affective computing and intelligent interaction is a multidisciplinary topic involving psychology cognitive science physiology and computer science acii 2005 provided a forum for scientists and engineers to exchange their technical results and experiences in this fast moving and exciting field a total of 45 oral papers and 82 poster papers included in this volume were selected from 205 contributions submitted by researchers worldwide

in a world marked by competition personality is the key to success whether it is social or business or personal or political arena interview for ias or an mnc meeting with the parents of your prospective bride addressing a public rally or delivering a speech in an international conference if you have a confident and pleasing personality you will surely make your mark this book seeks to motivate young men and women particularly students to make conscious and continuous effort to build character and develop personality with deep insight the author has provided valuable guidelines and practical tips on matters of special interest to students further he has given them the benefit of experience his own as well as those of eminent persons considering the significant role of teachers and parents and their responsibility in molding young minds the book intends to serve the purpose of building firm foundation for a better personality some glimpses manners make the a man we should be uniformly courteous

to all humility marks an educated man it is more fitting for a man to laugh over life than lament over it the art of writing letters is worth cultivating for one s own sake and for the sake of others start building a library of your own if you do not already have one learn by heart significant speeches or passages be a student all through your life i have developed a such a detached attitude to food where taste is concerned that life is so much easier and the hazard of becoming a victim to contaminated food are almost nil v spublishers

did you know that about 25 percent of the drugs prescribed worldwide are derived from plants of the 252 drugs in the world health organization s essential medicine list 11 percent are exclusively of plant origin today herbal plants are used to treat a number of health conditions including allergies arthritis migraines fatigue skin infections wounds burns gastrointestinal issues and even cancer these herbs are less expensive and they re a safer means of treatment than conventional medications which is why so many people are choosing to go back to this traditional idea of medicine herbal medicine has its roots in every culture around the world herbal medicine uses the plant s seeds berries roots leaves bark or flowers for medicinal purposes benefits of herbal medicine they have a holistic approach and aid in proper absorption and digestion they are not disease specific but act as a preventive medicine that positively affects the overall health and well being by boosting the immune system they are at par with allopathic medicines and are at times known to be effective in treating diseases like cancer and autoimmune diseases they are self contained and nutritive in nature therefore are non toxic and harmless this book contains details of more than 150 herbal plants their family property benefits and uses read the book and start deriving holistic benefits the herbal plants offer for the whole family

we all are well aware of the fact that medicinal plants and herbs have been used by mankind from times immemorial particularly in the traditional indian systems of medicine such as ayurveda and homeopathy some of them are even toxic but of immense pharmaceutical value basically plants have the ability to synthesise a wide variety of chemical compounds that are used to perform important biological functions and to defend against attack from predators like insects fungi bacteria and viruses thus protecting us from a number of deadly diseases like cancer tuberculosis aids and many incurable skin and venereal diseases the study of plants for medicinal purposes is called as herbalism or herbal medicine and the usage of these medicinal plants for treatment and cure of different types of diseases is known as herbal cure this book contains an exhaustive list of about 130 medicinal plants and herbs which are used totally or in

parts such as their roots stems leaves or barks crushed or decocted boiled or mixed with warm water or honey etc to treat innumerable commonly occurring diseases like cough and cold fevers pneumonia skin diseases indigestion diarrhoea asthma and even snake bites and scorpion stings

provides all the information the author a recent medical school graduate wishes he had when choosing a medical specialty it details each specialty s average salary type of practice hours worked per week job satisfaction rankings match statistics and more
