the pilots were attempting to return to honolulu but with the failure of both engines on the right wing of the ual 747 combined with massive structural damage there was a very real possibility that they would be required to ditch the thought of ditching into the ocean in the dark of night is daunting the flight attendants could have secured themselves in their jump seats but instead stood in the aisles to prepare their passengers the roar of the air rushing by at a speed of 190 to 200 knots

was deafening in the cabin the flight attendants could only mime the instructions for passengers to look at their safety cards and to demonstrate the donning of life vests the aloha 737 was severely damaged literally now a convertible and was in emergency descent with speeds of 280 to 290 knots the roar of the wind was deafening the forward flight attendant had been sucked out of the cabin as it ruptured the aft flight attendant was seriously injured the mid flight attendant suffering minor injuries and being the only one able rather than securing herself in her jump seat she crawled up and down the aisle calming her passengers and assisting the injured flight attendants lost offers a fascinating look into what went on inside the airplane from actual aircraft accident and incident case studies spanning decades and countries the book covers the intense training the ongoing vigilance the behind the scenes team work and the committed actions of flight attendants in emergency situations it uncovers the complexities of aircraft safety design and makes sense of the reasons behind safety rules and regulations making this book an educational must read for air travellers flight attendants lost is not only an eye opener but is a reassuring read that will make you look at flying differently it is also a beautifully written memorial tribute to the hundreds of flight attendants who over the years have given their lives in the line of duty

imagine having the best career in the world a career of high pay world travel time off and amazing perks since 2014 become a flight attendant has helped thousands of candidates get prepared quickly and easily for their flight attendant interviews and become airline crew written by current airline professionals and hr personnel who are passionate about helping good people into this exciting role this structured guide contains everything you need to know about the flight attendant interview process and how to pass it we will teach you the tips the secrets and give you the tools that will give you the edge over the other candidates the guide contains one of the world's largest flight attendant interview question banks over 400 actual past interview questions from many of the world's leading airlines including emirates qatar airways etihad airways cathay pacific singapore airlines air asia jetblue delta air lines ryan air easy jet lufthansa japan airlines indigo airlines american airlines air india korean air fly dubai air new zealand united airlines alaska airlines us airways mesa air skywest airlines hawaiian airlines virgin atlantic virgin australia spicejet airlines air canada air transat egypt air british airways malaysian airlines pinnacle airlines 100's of interview questions for you to think about before the interview we have done the interview question research for you saving you research time for those who find it hard to think of great interview answers we've even included 100s of fantastic answer ideas to adapt into your own answers rapidly increasing the quality of your interview answers and saving you preparation time the guide also covers everything you need to know about the flight attendant interview process including what to wear what to bring with you what technical airline knowledge you need to know before the interview and much more so is it time to start your new and exciting career as an airline flight attendant we'll be right with you every step of the way take the first step towards your exciting new life pass the interview live the dream

get ready for takeoff the life of the flight attendant aka a stewardess was supposedly once one of glamour exotic travel and sexual freedom as recently depicted in such films as catch me if you can and view from the

top the nostalgia for the beautiful carefree and ever helpful stewardess perhaps reveals a yearning for simpler times but nonetheless does not square with the difficult demanding and sometimes dangerous job of today's flight attendants based on interviews with over sixty flight attendants both female and male labor leaders and drawing upon his observations while flying across the country and overseas Drew Whitelegg reveals a much more complicated profession one that in many ways is the quintessential job of the modern age where life moves at record speeds and all that is solid seems up in the air containing lively portraits of flight attendants both current and retired this book is the first to show the intimate illuminating funny and sometimes dangerous behind the scenes stories of daily life for the flight attendant going behind the curtain Whitelegg ventures into first class coach the cabin and life on call for these men and women who spend week in and week out in foreign cities sleeping in hotel rooms miles from home working the skies also elucidates the contemporary work and labor issues that confront the modern worker the demands of full time work and parenthood the downsizing of corporate America and the resulting labor lockouts decreasing wages and hours worked job insecurity and the emotional toll of a high stress job given the events of 9/11 flight attendants now have an especially poignant set of stressful concerns to manage both for their own safety as well as for those they serve the passengers flight attendants originally registered nurses charged with attending to passengers medical needs now find themselves wearing the hats of therapist security guard and undercover agent this last set of tasks pushing some as Whitelegg shows out of the business altogether

this new vault guide to flight attendant careers provides the inside scoop on everything from training programs and unions to crew schedules and perks for this exciting career

about the author roopali has been working in the aviation industry since long apart from being a flight attendant she has also worked as a trainer curriculum developer for various educational institutes and mentored countless students and cabin crew aspirants at various occasions she firmly believes when we do something we should be the best at doing it instead of boasting about her achievements here she insisted on sharing how she began her career in airlines so as to motivate the candidates she did not have any one from her family or friends to guide her neither was she aware of the privileges of online learning in those days had there been a guiding light like this book back then aspirants would have been able to materialize their dreams much before and this is the exact reason why this book has been developed people have dreams of flying across oceans travelling the world ticking places off their bucket list meeting new people belonging to different nationalities willingness to appreciate different cultures and lots more but not everyone has the means to do so that is why this book has been designed in such a way that it brings to you all the information related to a flight attendant's job under one roof so ladies and gentlemen brace yourself for the most exciting and unexplored journey of your life

the author writes on the unsafe practices by commercial airlines and tells of poor treatment of employees
