explores the ancient iroquois tradition of dreams healing and the recovery of the soul explains native american shamanic dream practices and their applications and purpose in modern life shows how dreams call us to remember and honor our soul's true purpose offers powerful active dreaming methods for regaining lost soul energy to restore our vitality and identity the ancient teaching of the iroquois people is that dreams are experiences of the soul in which we may travel outside the body across time and space and into other dimensions or receive visitations from ancestors or spiritual guides dreams also reveal the wishes of the soul calling us to move beyond our ego agendas and the web of other people's projections into a deeper more spirited life they call us to remember our sacred contracts and reclaim the knowledge that belonged to us on the levels of soul and spirit before we entered our present life experience in dreams we also discover where our vital soul energy may have gone missing through pain or trauma or heartbreak and how to get it back robert moss was called to these ways when he started dreaming in a language he did not know which proved to be an early form of the mohawk iroquois language from his personal experiences he developed a spirited approach to dreaming and living that he calls active dreaming dreamways of the iroquois is at once a spiritual odyssey a tribute to the deep wisdom of the first peoples a guide to healing our lives through dreamwork and an invitation to soul recovery

back in print george t hunt s classic 1940 study of the iroquois during the middle and late seventeenth century presents warfare as a result of depletion of natural resources in the iroquois homeland and tribal efforts to assume the role of middlemen in the fur trade between the indians to the west and the europeans

beginning in 1701 the iroquois at their nadir after twenty years of warring sought to rebuild the confederacy by design or circumstance they carried out sophisticated diplomatic relations with their indian and white neighbors gradually recouping much of their political military and economic power the iroquois helped shape the frontier influencing westward expansion the fur trade and colonial warfare

in native american history the iroquois have earned their place as one of the most democratic alliances with some of the most formidable warriors united by a language and a desire to improve their lifestyles the iroquois nations helped shape united states history this book details the story of the five and later six iroquois nations the cayuga the seneca the onondaga the oneida the mohawk and the tuscarora who they were how the iroquois confederacy was formed and the struggles the iroquois faced with the arrival of european settlers likewise it describes what these tribes are like today and what new experiences they face in modern society

iroquois treaty making has had enormous significance in american history even to the present day but until now we have not had a comprehensive collection of treaty documents and systematic study of the iroquois treaty procedure this book brings the research of negotiations carried on by the dutch english french and americans with the iroquois to a new level of sophistication since september 1978 the darcy mcnicke center for the history of the american at chicago s newberry library has directed a project funded by the national endowment for the humanities to compile and publish a documentary history of the iroquois the results of this undertaking are 1 a comprehensive microform corpus of iroquois treaties and related documents 2 a printed calendar and index to the treaties and 3 this reference guide to the treaties and their meanings in addition to summary essays by francis jennings on history and background william n fenton on culture mary a drake on structure robert j surtees on canada and michael k foster on linguistics the editors have included a sample treaty with analytical commentary they have drawn together a list of participants in iroquois treaties figures of speech in political

rhetoric a gazetteer of place names and their modern equivalents maps of areas important to treaty making a descriptive treaty calendar listing negotiations involving iroquois indians 1613 1913 and a select bibliography this books makes the rich array of treaty documents accessible to the informed lay reader its publication is a landmark in iroquois studies publisher s description

a classic study of an american indian tribe with the original illustrations

presents illustrated retellings of nine ancient stories of the iroquois peoples

the iroquois also known as the haudenosaunee or the people of the longhouse are an association of several tribes of native americans in north america after the iroquoian speaking peoples coalesced as distinct tribes based mostly in present day central and upstate new york in the 16th century or earlier they came together in an association known today as the iroquois league or the league of peace and power the original iroquois league was often known as the five nations as it was composed of the mohawk oneida onondaga cayuga and seneca nations after the tuscarora nation joined the league in 1722 the iroquois became known as the six nations some 20th century historians have debated whether the iroquois system of government had any influence on the united states development of the articles of confederation and constitution in 1988 congress passed a resolution to recognize the influence of the iroquois league upon the constitution and bill of rights indeed it is easy to find similarities between the two constitutions the iroquois constitution called the great law of peace guaranteed freedom of religion and expression and other rights later embraced in the u s constitution according to the iroquois constitution states were first to solve disputes between them on their own if resolution efforts failed then the national government would take authority the great law even said the national government should have a commander in chief and that person should present a state of the union address to the nation

establishment of jesuit missions abenaki quebec montreal huron iroquois ottawa and lousiana

the league of the iroquois the most famous native government in north america dominated intertribal diplomacy in the northeast and influenced the course

of american colonial history for nearly two centuries the age and early development of the league however have long been in dispute in this highly original book two anthropological archaeologists with differing approaches and distinct regional interests synthesize their research to explore the underpinnings of the confederacy wonderley and sempowski endeavor to address such issues as when tribes coalesced when intertribal alliances presaging the league were forged when the five nation confederation came to fruition and what light oral tradition may shine on these developments this groundbreaking work develops a new conversation in the field of indigenous studies one that deepens our understanding of the iroquois league s origins
