how to cope with snoring easy ways to cure and manage sleep apnea table of contents introduction knowing more about snoring causes of snoring how to prevent snoring possible causes of sleep apnea cures for sleep apnea snoring when to see a doctor effects of snoring on a relationship conclusion introduction knowing more about snoring ask anybody who has had a sleepless night for a couple of days this question how does he feel he s going to answer you into a completely irritated manner that he s totally exhausted and he really does not have any time to pay any attention to your fool statements or answer your futile questions that sort of short tempered and moody unpredictability is one of the most easily recognizable side effects of somebody who has not managed to get his full quota of eight hours of uninterrupted pleasant sleep and one of the causes of these sleepless nights is the continuous sound of someone in the vicinity or in the room happily asleep and snoring just imagine that it is 2 o clock in the morning and you are staring at the ceiling or at the alarm clock you have tried stuffing your ears with cotton and even your pillow cannot muffle the sound of snoring reverberating through the room did you know that 30 of the people in their 30 s and 40 s out there snore 59 of the people when asked admitted that their partners snored 59 of the partners immediately replied indignantly that they did not snore but it is true and snoring is one of the reasons why so many people suffer from sleepless nights and doctors are looking for ways and means in which the snoring sound can be moderated or stopped

being behind bars doesnt make you as an inmate less of a human being therefore do not identify yourself with your temporary situation but since you are behind bars you need to take responsibility and while taking responsibility you need to forgive yourself and forgive those who might have done you wrong and once you forgive then you need to live life in jail in prison or under house arrest by following rules and demonstrating good behavior to help make your sentence easier and maybe shorter and until you get free do not waste your time in a cell doing nothing of value instead put your potential abilities and gifts to use and lastly mentally prepare yourself to live life beyond bars by applying every single lesson learned from the cell the church and society need to address the issue of ex inmates reentry as partners and complement each other in facing this issue the society and the church need to understand that just because these individuals are behind bars that doesnt make them any less human than everybody else they have a right to live a right to be forgiven and a right to be accepted back into society these individuals are called inmates while serving time but once they have paid their dues and are set free that name changes to ex inmates and should eventually switch to citizens where society falls short the church needs to pick up the slack and serve these citizens and where the church falls short society needs to step in and help these citizens we cannot afford to let these ex inmates live in a life cycle where they go in and out of jail prison and house arrest we have to prove the statistics wrong society can provide programs to help these citizens reintegrate much more smoothly the church can finally become what it was intended to be and provide a safe environment in which these restored citizens will live a life worthy of being called citizens and not return to old behavior and a life back behind bars
