chronicles the adventures of eleven year old caddie growing up with her six brothers and sisters on the wisconsin frontier in the mid nineteenth century

this comprehensive regional geography of east africa has been specially developed for students in kenya uganda and tanzania preparing for their o level and equivalent examinations in geography

collection of articles on the social implications of the historical and political setting of east africa covers 1 the role of uk during the pre colonial and colonial period and the status of minority groups 2 emerging nationalist ideologies 3 regional social structures and urban area society education cultural factors tradition religion natural resources economic development and government structures following accession to independence maps and references

this book uses the notion of the public sphere to produce a new view of the history of england in the post reformation period tracing its themes from the 1530s to the early eighteenth century the contributors who are all leaders in their own fields bring a diverse range of approaches to bear on the central theme the book aims to put the results of some of the most innovative and exciting work in the field before the reader in accessible form each chapter stands alone in representing an important contribution to its own area of study and sub period as well as to the overall argument of the book politics culture and religion all feature prominently in the resulting analysis which should be of interest to students and academics of early modern english history and literature

annotated bibliography of english language material published since 1963 on the economies of east africa

it is now apparent that east africa cannot be viewed in isolation if its early history is to be adequately understood arabic indian and chinese influences have been discovered in the east african cultures and evidence has shown that from about 100 b c the coastal fringe of eastern africa was economically and culturally an integral part of the indian ocean basin the available evidence relating to these early contacts is so scattered however that historians and archaeologists must rely on the findings of numerous related disciplines the

contributors to this volume make ingenious use of anthropological geographical ethnographical zoological linguistic numismatic and musical evidence as they develop new historiographical techniques to open this challenging area of inquiry among them are the leading specialists in their respective fields h neville chittick vinigi grottanelli paul wheatley j s trimingbam gervase mathew pierre wrin aldan southall merrick posnansky james kirkman and michael gwynne the topics investigated include the peopling of the east african coast chinese knowledge of east africa the arab geographers the problem of malagasy origins connections between the lacustrine peoples and the coast and the origin and spread of various domestic food plants although there remain as many questions as answers this volume serves as a vital summation of our current knowledge and points the way toward further fruitful research in african history

describes the customs traditions food clothes and homes of the maasai people who live in the grasslands of eastern africa

this book brings together african and european experts from a variety of disciplines to examine the origins and current state of the east african community eac over the course of the book the authors analyse the rich tapestry of intraregional relations in east africa the eac's similarities with the european union and the future challenges faced by the organisation widely regarded as the most advanced and successful regional integration scheme in africa the eac is an intergovernmental organisation consisting of burundi kenya rwanda tanzania and uganda and since 2016 south sudan it is the oldest among africa's regional economic communities and among the continent's most promising growth areas with a long history of integration punctuated by several false starts and traumas that have profoundly affected its body politics when initially set up the eac model bore a striking resemblance to the process undergone by the european union now as the eac continues to establish its own identity this book argues that whilst europe's history may provide useful insights for eac member states the eac experience could in turn also offer lessons for the european union covering key dimensions such as integration co-operation development trade and investments this book highlights the intricate and complex relationships between east african states and it will be of interest to researchers working on economic development international relations peace and security and african studies
