this work covers policing in the uk reflecting the transformations that have taken place and the increasing professionalisation of one of the country s most important services it covers policing in its comparative and historical context and considers the context in which policing takes

place

the police are perhaps the most visible representation of government they are charged with what has been characterized as an impossible mandate control and prevent crime keep the peace provide public services and do so within the constraints of democratic principles the police are trusted to use deadly force when it is called for and are allowed access to our homes in cases of emergency in fact police departments are one of the few government agencies that can be mobilized by a simple phone call 24 hours a day 7 days a week they are ubiquitous within our society but their actions are often not well understood the oxford handbook of police and policing brings together research on the development and operation of policing in the united states and elsewhere accomplished policing researchers michael d reisig and robert j kane have assembled a cast of renowned scholars to provide an authoritative and comprehensive overview of the institution of policing the different sections of the handbook explore policing contexts strategies authority and issues relating to race and ethnicity the handbook also includes reviews of the research methodologies used by policing scholars and considerations of the factors that will ultimately shape the future of policing thus providing persuasive insights into why and how policing has developed what it is today and what to expect in the future aimed at a wide audience of scholars and students in criminology and criminal justice as well as police professionals the handbook serves as the definitive resource for information on this important institution

blackstone s handbook for policing students 2013 has been developed from the best selling blackstone s student police officer handbook to reflect the multitude of avenues into the police force now open to future police officers from pre entry courses to pcsos and specials designed specifically to meet the new requirements of police training this book is a must have for those embarking on a career in the police parts of initial police training common to all new entrants are easily identified and there are specific chapters on qualification structures and training and assessment meeting the needs of students whether you are entering policing through pre entry schemes or through an alternative qualification route this new structure means it is possible for students to omit certain parts of the handbook whilst still meeting the mandatory requirements of the revised ipldp diploma in policing divided into six parts representing key stages in your progression from pre entry programmes where appropriate in parts 1 and 2 to initial training and then confirmation the handbook leads you through the topics covering theory discussion and practice while developing skills of analysis problem solving and forms of reasoning coupled with a comprehensive and accessible style the book ensures you have the knowledge and understanding necessary to undertake independent patrol in a professional and competent manner key topics covered include stop search and entry alcohol and drug offences sexual offences interviewing and intelligence blackstone s handbook for policing students 2013 is essential reading whether you are taking a pre entry course or the ipldp diploma in policing looking to move on from your role as a pcso or special or are involved within the security and law enforcement sector

comprehensive and reliable blackstone s handbook for policing students 2025 is the ideal companion for the multitude of avenues into policing

now open to future police officers from pre join degree courses degree holder entry and degree apprenticeships to the police constable entry programme the book will also be of interest to specials and pcsos especially those looking to join the police service as a constable divided into five parts representing key stages in your progression from entry into policing to initial training and then confirmation the handbook leads you through each topic covering theory discussion and practice while helping you to develop your skills of analysis problem solving and forms of reasoning coupled with a clear structure and accessible style the book will provide you with the knowledge and understanding necessary to undertake independent patrol in a professional and competent manner key topics covered include stop search and entry alcohol and drug offences sexual offences interviewing and intelligence as well as policing communities and wellbeing those aspects of police training which are common to all new entrants are clearly identified there are specific chapters on evidence based policing and understanding the police constable role making the handbook the ideal resource whether you are entering policing through a pre join scheme or through an alternative qualification route

low confidence in the police and the increasing crime rates during the 1990s led to a series of government initiatives directed at changing both the structure and management of the police service in 2006 in an attempt to define what a principled police service should resemble the home office minister Hazel Blears announced the development of new code of professional standards for the police service informed by the Taylor review of 2005 while there has been a growing awareness of the role of professional standards within law enforcement activity to date there has been little scholarly debate on the understanding of ethics and how that is applied to practical policing this book provides a single text of different perspectives on how professional standards and ethics has been conceptualised and developed into practical policing processes for the purposes of policing not only by the police but also by the partner agencies leading academics and practitioners consider the moral minefield of policing through examinations of undercover operatives MI5 and deaths in police custody as well as looking forward to the future considerations and practices in professional conduct it will be of interest to those working within the field of policing as well as students and academics focussed on policing and criminal justice

reflecting the multitude of avenues into the police force now open to future police officers from student officers and pre join students to specials blackstone s handbook for policing students 2018 ensures you have the knowledge and understanding necessary to undertake independent patrol in a professional and competent manner

the sage handbook of global policing examines and critically retraces the field of policing studies by posing and exploring a series of fundamental questions to do with the concept and institutions of policing and their relation to social and political life in today s globalized world the volume is structured in the following four parts part one lenses part two social and political order part three legacies part four problems and problematics by bringing new lines of vision and new voices to the social analysis of policing and by clearly demonstrating why policing matters the handbook will be an essential tool for anyone in the field

being a police officer is an extraordinary job done by extraordinary people this edition introduces and updates key concepts behind modern policing the book is for both full time regular police officers and special constables covering the training and expectations for both roles along with entrance requirements updated and revised for 2015 the book now contains more offences including traffic offences mopi cyber crime rtc updates to training application process including latest four competency questions constable s pay scale to name a few bringing the book right up to date with the latest police concepts and procedures

the rowman littlefield handbook of policing communication and society brings together well regarded academics and experienced practitioners to explore how communication intersects with policing in areas such as cop culture race and ethnicity terrorism and hate crimes social media police reform crowd violence and many more by combining research and theory in criminology psychology and communication this handbook provides a foundation for identifying and understanding many of the issues that challenge police and the public in today s society it is an important and comprehensive analysis of the enormous changes in the roles of gender in society digital technology social media and organizational structures have impacted policing and public perceptions about law enforcement
