this is the story of the 70th bombardment squadron a lone squadron of the u s army air corps which flew its b 26 aircraft island hopping across the pacific and which fought the early months of world war ii as a special squadron from guadalcanal in the solomon islands this is also the story of the ground echelon of that squadron which served with distinction under adverse conditions for twenty five months on various remote islands of the south pacific this history traces the squadron from its inception in january 1941 through the declaration of war and the early part of world war ii the sequence will be chronological the story will involve pre war activity operations in the u s subsequent to pearl harbor activities in fiji and combat operations from various remote islands in the south pacific

at last count nearly 2 400 people can claim that their lives were saved by a u s submarine during world war ii of that number 523 allied aviators could claim that distinction after crashing their aircraft into the sea and being saved by a submarine operating in the lifeguard league the remaining number were a collection of other military and civilian personnel each with a story to tell and now able to tell their grand children some of those rescued went on to retire as senior military officers including u s navy admirals some back to missionary work some to manage large companies in later years some to philanthropic endeavors to pay everyone back for saving their lives appendix a is an intensely researched index of nearly 2 200 names of those saved

the little known story of a major catastrophe in a 1960s african american community a commendable if unsettling account richard kluger pulitzer prize winning author of simple justice on the cold saturday morning of january 16 1965 a u s air force kc 135 tanker carrying thirty one thousand gallons of jet fuel crashed into a congested african american neighborhood in wichita kansas when the fire and

destruction finally subsided forty seven people mostly african american children were dead or injured homes were completely destroyed and numerous families were splintered as shocking as it may sound the event was seemingly omitted from the historical record for nearly fifty years now historian d w carter examines the myths and realities of the crash while providing new insights about the horrific four minute flight that forever changed the history of kansas includes photographs

the b 52 s development and five decades of service from the cold war and vietnam to the gulf wars and afghanistan are featured in this comprehensive and heavily illustrated history

the author characterizes the book as a memoir entitled notable encounters as such he has diligently documented his recollection of dozens of memorable special people that he enjoyed the unique opportunity of meeting over the years of his professional experiences many of the names of those whom he had the pleasure of meeting are easily recognized while others are introduced to the reader for the first time beyond identifying and characterizing his meeting opportunities and the interaction with those encountered he has for the benefit of the reader provided an in depth biographical background summary of each personage as such his treatise serves also to recall history significant times and events in many instances a number of those whom he had the pleasure of meeting became friends for life while other introductions were the first and last an interesting perspective that he also introduces in the opening of his writing is one of the history and importance of the handshake he characterizes that virtually every encounter greeting or meeting between two people is initiated with a handshake the handshake a practice that has existed in some form or another for thousands of years most often engaged upon an initial meeting or greeting the purpose of clasping hands to convey trust respect balance and equality join chris adams in encountering exchanging handshakes and engaging some noteworthy and incredible personalities along his life s journey

this illustrated oversize vol commemorates the 50th ann y of the creation of the u s air force usaf as a fully independent branch of the military in 1947 covers the accomplishments and actions in the history of american aviation which predates the creation of the usaf from the era of the wright biplanes before and through wwi the years of development between 1919 and 1941 the harrowing maturation of the force during wwii s global fight the creation of the service itself its tempering during the berlin airlift and the korean war the long watch of the cold war the grueling conflict in southeast asia the rebuilding of the force in the 1970s and 1980s air power s triumph in the gulf war

and its use since then for both humanitarian and combat operations
