who is god it is a question that has been asked throughout the expanse of human history and has been answered in a myriad of ways answers have ranged from the worship of inanimate objects nature s wonders and fictitious characters to the worship of the true and everlasting god as revealed in

the bible however even using the bible as a common reference there have been a multitude of different interpretations of who god is what his character is what his desire is for us and how we relate to him this book draws from the biblical record a view of god that is supported by scripture rather than from conjecture and outside sources where there seem to be inconsistent perspectives present in the scripture i have tried to identify them but conclude with the predominate perspective as the most tenable it makes sense that god in communicating to people would help us by making the correct view predominate in drawing from the bible i have found that god is a loving father in heaven that all people are his children that he loves his children and desires that all be saved that he has provided a means by which all may be saved through his son jesus christ that in our day god reveals himself through the holy ghost among other ways and that the father son and holy ghost comprise one god you will find that the bulk of this work is a quotation of scripture organized by topic in relation to the identity of god commentary has been added in an attempt to summarize the concepts i believe are conveyed in the scriptures however the commentary comprises a lessor portion of the work the work may almost be thought of as a topical concordance concerning the identity of god with limited commentary at any rate the reader is invited to review the cited scriptural references in addition to all others contained in the scriptures and draw his or her own conclusion based on the content and on the witness of the holy ghost the scriptures declare that the holy ghost is the testator of all truth and that when we sincerely seek the truth we shall find it i have found the references cited in this work helpful in aiding my own search for the answer to the question who is god i am confident that they will do the same for you

the purpose of this book is to help you understand that hear and fear is a principle of the kingdom of god the gospel of the kingdom of god that jesus christ preached was all about repentance this book also contains very rich scriptural references that confirm that the word of god is the name of god revelation 19 1213 says his eyes were as a flame of fire and on his head were many crowns and he had a name written that no man knew but he himself and he was clothed with a vesture dipped in blood and his name is called the word of god this book also helps us to understand that god is a spirit therefore we should worship him in spirit and in truth as a believer refuse to be a destitute of the truth because before god there is no excuse this book also helps us to understand that we cannot replace the gospel of the kingdom of god repentance with the gospel of prosperity it does not work but seek ye first the kingdom of god and his righteousness and all these things shall be added unto you no time to waste repent this book is also written for all those who are changing the truth of god into a lie because whether you like it or not the truth of god is the truth of god we cannot do anything against

the truth but for the truth all we can do for the truth is to believe it beloved brethren there is nothing new under the sun whatever you are going through in your life be it sickness disease poverty generational curses or bondage all is vanity of vanities it is only the mercies of god that are new every morning this book is for those who are willing to understand that we should fear god and keep his commandments for this is the whole duty of man because god shall bring every work into judgment with every secret thing whether it be good or whether it be evil let the church you and me be the true church of god ruled by holiness and righteousness not by dollar power
