according to the ism cpsm is the credential that surpasses the demands of the international marketplace with multi faceted skills in areas such as finance supplier relationship management organizational global strategy and risk compliance the cpsm qualification enables professionals to gain a clear understanding of their organization's supply operation and enable managers to take an active role in critical decisions it is slightly different from apics's cscp in that it is targeting those who wish to have a broad understanding of all components of the profession it focuses primarily on strategic supply management less on fundamental or tactical level knowledge cscp places heavier focus on integrated supply chain while cpsm does not the certification track requires 3 exam modules with topics that are inter related we suggest that you go through all topics and modules before taking any of the individual exam parts do not study on a per module basis instead treat all of them as a whole this will guarantee

that you don't get tripped up when closely related questions show up on different exam parts this is why we do not break down the practice questions into modules we force you to assess your readiness to everything covered in the entire certification track we create these self practice test questions referencing the concepts and principles currently valid in all these exams each question comes with an answer and a short explanation which aids you in seeking further study information for purpose of exam readiness drilling this product includes questions that have varying numbers of choices some have 2 while some have 5 or 6 we want to make sure these questions are tough enough to really test your readiness and draw your focus to the weak areas think of these as challenges presented to you so to assess your comprehension of the subject matters the goal is to reinforce learning to validate successful transference of knowledge and to identify areas of weakness that require remediation the questions are not designed to simulate actual exam questions realistic or actual questions that are for cheating purpose are not available in any of our products
