knoxville tennessee a mountain city in the new south is much more than an update to the 1983 edition it is virtually a complete rethinking of its predecessor as well as an updating of knoxville's story from the 1982 world's fair to the death of the nearly legendary cas walker in this new edition wheeler argues that like jay gatsby in the great gatsby 1925 knoxvillians have fabricated for themselves a false history portraying themselves and their city as the almost impotent victims of historical forces that they could neither alter nor control the result of this myth wheeler says is a collective mentality of near helplessness against the powerful forces of isolation poverty and even change itself but knoxville's past is far more complicated than that for the city contained abundant material goods and human talent that could have been used to propel knoxville into the ranks of the premier cities of the new south if those assets had not slipped through the fingers of both the leaders and the populace in all knoxville's history is the story of colliding forces country and city north and south the poor and the elite as well as the story of colorful figures including perez dickinson edward sanford george dempster william yardley louis brownlow cas walker carlene malone victor ashe and many many more this is not however a history or a future without hope wheeler charts positive changes as well such as downtown residential movements urban renewal initiatives political progressivism and improving race relations in many ways knoxville's story parallels the struggles

facing all american cities making this revised edition of interest both as a regional history and as a fascinating case study of american urbanism

first published in 2002 routledge is an imprint of taylor francis an informa company
