a concise comprehensive study of the iberian colonies in the new world from the pre conquest through european exploration and colonization to the wars of independence in the early 19th century this third edition includes an expanded discussion of the maya aztecs and incas along with recent research on popular culture and economy an extremely well balanced study 32 figures 31 photos 5 maps

colonial latin america a documentary history is a sourcebook of primary texts and images intended for students and teachers as well as for scholars and general readers the book centers upon people people from different parts of the world who came together to form societies by chance and by design in the years after 1492 this text is designed to encourage a detailed exploration of the cultural

development of colonial latin america through a wide variety of documents and visual materials most of which have been translated and presented originally for this collection colonial latin america a documentary history is a revision of sr books popular colonial spanish america the new edition welcomes a third co editor and most significantly embraces portuguese and brazilian materials other fundamental changes include new documents from spanish south america the addition of some key color images plus six reference maps and a decision to concentrate entirely upon primary sources the book is meant to enrich not repeat the work of existing texts on this period and its use of primary sources to focus upon people makes it stand out from other books that have concentrated on the political and economic aspects the book s illustrations and documents are accompanied by introductions which provide context and invite discussion these sources feature social changes puzzling developments and the experience of living in spanish and portuguese american colonial societies religion and society are the integral themes of colonial latin america religion becomes the nexus for much of what has been treated as political social economic and cultural history during this period society is just as inclusive allowing students to meet a variety of individuals not faceless social groups while some familiar names and voices are included conquerors chroniclers sculptors and preachers other far less familiar points of view complement and complicate the better known narratives of this history in treating iberia and america before as well as after their meeting apparent contradictions emerge as opportunities for understanding different perspectives become prompts for wider discussion other themes include exploration and contact religious and cultural change slavery and society miscegenation and the formation consolidation reform and collapse of colonial institutions of government and the church as well as accompanying changes in economies and labor this sourcebook allows students and teachers to consider the thoughts and actions of a wide range of people who were making choices and decisions pursuing ideals misperceiving each other experiencing disenchantment absorbing new pressures breaking rules as well as following them and employing strategies of survival which might involve both reconciliation and opposition colonial latin america a documentary history has been assembled with teaching and class discussion in mind the book will be an excellent tool for latin american history survey courses and for seminars on the colonial period

this collection of essays offers alternative readings of historical and literary texts produced during latin america s colonial period by considering the political and ideological implications of the texts interpretation yesterday and today it attempts to decolonize the field of latin american studies and promote an ethical interdisciplinary practice that does not falsify or appropriate knowledge produced by both the colonial subjects of the past and the oppressed subjects of the present using recent developments in postcolonial theory the contributors challenge traditional approaches to hispanism the colonial situation under which these texts were composed with all its injustices and prejudices still lingers and most studies have consistently avoided the connection between this colonial legacy and the situation of disenfranchised groups today colonialism past and present challenges discursive strategies that celebrate only european cultural traits dismiss non european cultural legacies and solidify constructions of national projects considered natural extensions of

European civilization since independence from Spain

Surveying the varied experiences of women in colonial Spanish and Portuguese America, this book traces the effects of conquest, colonisation, and settlement on colonial women, beginning with the cultures that would produce Latin America.

The Encyclopedia of Colonial Latin America, 1550s to 1820s, covers the history and culture of Central America, South America, and the Caribbean from the arrival of the Spanish colonization and independence movements until the 1820s.

The Church in Colonial Latin America is a collection of essays that include classic articles and pieces based on more modern research, containing essays that explore the Catholic Church's active social and political influence. This volume provides the background necessary for students to grasp the importance of the Catholic Church in Latin America. This text also presents a comprehensive analytic and descriptive history of the church and its development during the colonial period, from the evangelization of the New World by Spanish missionaries to the active influence of the Catholic Church on Latin American culture. This book offers a complete picture of the church in colonial Latin America. The Church in Colonial Latin America is ideal for courses in the colonial period in Latin American history as well as courses in religion, church history, and missionary history.

A history of colonial Latin America from first encounters to independence is a concise and accessible volume that presents the history of the Iberian presence in the Americas from the era of exploration and conquest to the disruption and instability following independence. This history of the Iberian presence in the Americas contains stories of curiosity, vision, courage, missed communication, miscalculation, insatiability, prejudice, and native collaboration and resistance. Beginning in 1492, Ramirez establishes the context for the era of exploration and conquest that follows. The book then surveys the activities of Cortes and Pizarro and the impact on native peoples, Portuguese activity on the eastern coast of South America, the demographic collapse of the native population, the role of the Catholic Church, and new policy initiatives of the Bourbons who inherited the throne in 1700. The narrative involves Spaniards, native Americans of innumerable ethnic groups, Moorish, native, and black slaves, and a whole new category of people of mixed blood, collectively known as the castas, acting in the steamy tropics of the lowlands, marching across parched deserts, trekking to oxygen-low mountain summits, and settling all the ecological niches in between. The book includes important primary documents and maps to provide students with even more context to this important part of Latin American history. It will be of interest to students and scholars of Latin American history and culture.

This outstanding collection makes available for the first time a remarkable range of primary sources that will enrich courses on women as well as Latin American history more broadly. Within these pages are captivating stories of enslaved African and indigenous women who protest abuse of women who defend themselves from charges of witchcraft, cross-dressing, and infanticide of women who travel.

throughout the empire or are left behind by the men in their lives and of women's strategies for making a living in a world of cross cultural exchanges jaffary and mangan's excellent introduction and annotations provide context and guide readers to think critically about crucial issues related to the intersections of gender with conquest religion work family and the law sarah chambers university of minnesota
