this volume of annals of theoretical psychology highlights the fact that the flourishing aftermath of both freud s and lacan s ideas still exist this is done in different ways some papers focus on rereading core texts of freud and lacan others apply freud s and lacan s principles in a new and contemporaneous actuality others again transform and develop some of the core principles in psychoanalysis whereas others discuss the scientific principles that lie behind psychoanalysis this book will be important for scholars interested in psychoanalysis in general the readers should be both clinicians and others interested in psychoanalysis all over the world

laurie m johnson argues that america s culture wars may seem to have erupted in the past couple of decades but they go back centuries for those who think that christian nationalism or right wing populism is the problem to be solved that some people simply need to understand christianity or politics better and become reasonable read on christian nationalism and other ideological extremes are symptoms of major economic technological spiritual and psychological shifts that have left too many people uprooted disenchanted and precarious there are no easy answers but johnson tries to show a path out that enlists not only individuals but also church and state without leadership and structure provided at the levels of the church and state christians and those impacted by them will remain part of the problem and not the solution johnson says to christians change is not talk it s action and christian action can only happen with leadership that creates a context where we can work together rather than wasting our time in culture wars

presents a collection of jokes and riddles about doctors and medicine including why did the nurse tiptoe past the medicine cabinet she didn t want to wake the sleeping pills
