enlightenment is the last host beyond it all boundaries disappear all experiences disappear experience comes to its utmost in enlightenment it is the very peak of all that is beautiful of all that is immortal of all that is blissful but it is an experience beyond enlightenment there is no

experience at all because the experiencer has disappeared enlightenment is not only the peak of experience it is also the finest definition of your being beyond it there is only nothingness you will not come again to a point which has to be transcended experience the experiencer enlightenment all have been left behind you are part of the tremendous nothingness that is infinite this is the nothingness out of which the whole existence comes the womb and this is the nothingness in which all the existence disappears
