for centuries eastern traditions have taken the subject of entity possession quite seriously ayurveda the traditional medicine of india recognizes bhutas or entities and their influence on mental and physical well being as well as the ways they can be evicted from the individual now in a work that is unique in western literature dr samuel sagan examines the problem of these incorporeal beings that attach themselves to human beings as parasites causing various emotional mental and physical problems a landmark study that presents sound analysis and treatment of this phenomenon entity possession demystifies a topic that has long been overdramatized by the folklore surrounding possession and exorcism using actual case studies of the hungry ghost phenomenon dr sagan analyzes their mechanisms and motivations presenting the facts of entity possession and including many tips on how to dislodge these parasites from the individuals whose lives are thrown out of balance by their presence

in people who don't know they're dead gary leon hill tells a family story of how his uncle wally and aunt ruth wally's sister

came to counsel dead spirits who took up residence in bodies that didn't belong to them and in the telling hill elucidates much of what we know or think we know about life death consciousness and the meaning of the universe when people die by accident in violence or maybe they're drunk stoned or angry they get freeze framed even if they die naturally but have no clue what to expect they might not notice they're dead it's frustrating to see and not be seen it's frustrating not to know what you're supposed to do next it's especially frustrating to be in someone else's body and think it's your own that's if you're dead if you're alive and that spirit has attached itself to you well that's a whole other set of frustrations wally johnston a behavioral psychologist first started working with a medium in the 70s to help spirits move on to the next stage some years after that ruth johnston an academic psychiatric nurse who'd become interested in new consciousness and alternative healing began working with wally to clear spirits who weren't moving on these hitchhikers had attached themselves to the auras of living relatives or strangers in an attempt to hold on to a physical existence they no longer need through her pendulum ruth obtains permission from the higher self of both hitchhiker and host to work with them then wally speaks with them gently but firmly to make sure they know they are no longer welcome to inhabit the bodies and wreak havoc on the lives of the living hill has woven this fascinating story with the history and theory of what happens at death with particular emphasis on the last 40 years and the work of such groundbreaking thinkers as elmer green raymond moody william james aldous huxley edith fiore martha rogers mark macy elisabeth kubler ross bruce lipton and a host of others whose work helps inform our idea of what it is to live and to die as it turns out our best defense against hitchhikers is to live consciously and our best chance of doing that is by paying attention and staying open to possibilities

traditional western religion explains that each human has a spiritual aspect called a soul however several passages in the bible allude to humans having a soul and a spirit dan has explored this idea and found numerous modern psychological findings that support this notion shamanism and some eastern religious concepts also support this idea diverse concepts such as creativity and mental illness can be explained by the idea that two spiritual forms are in each human
