Upton Sinclair's *The Journal of Arthur Stirling: The Valley of the Shadow* is a compelling narrative that explores the intricacies of identity, memory, and social conscience within a broader historical framework. With its rich introspective style, Sinclair intertwines elements of realism and symbolism, offering readers a poignant glimpse into the life of Arthur Stirling against the backdrop of early 20th-century America. The book serves as both a reflection on personal struggles and a critique of the socio-political climate, encapsulating Sinclair's characteristic desire to stir the moral conscience of society through literature. Sinclair, an acclaimed author known for his progressive social activism, was deeply influenced by his early experiences with poverty and labor conditions in America. His commitment to social

justice and reform is evident throughout his works including the more famous *The Jungle* in this lesser known yet profound narrative Sinclair's personal convictions and acute awareness of the human condition drive him to delve into the psychological ramifications of self discovery making Stirling's journey emblematic of broader human struggles this book is highly recommended for readers seeking a nuanced exploration of personal and societal dilemmas through the lens of a master storyteller Sinclair's blend of intimate reflection and social critique invites us to ponder the depths of our own identities while confronting the shadows of history *The Journal of Arthur Stirling* promises to resonate with anyone interested in the intricate dance between the self and society

a *Times Literary Supplement* s book of the year 2020 a *New Statesman* s best book of 2020 a *Bloomberg* s best book of 2020 a *Guardian* best book about ideas of 2020 the world renowned philosopher and author of the bestselling *Justice* explores the central question of our time what has become of the common good these are dangerous times for democracy we live in an age of winners and losers where the odds are stacked in favor of the already fortunate stalled social mobility and entrenched inequality give the lie to the American credo that you can make it if you try the consequence is a brew of anger and frustration that has fueled populist protest and extreme polarization and led to deep distrust of both government and our fellow citizens leaving us morally unprepared to face the profound challenges of our time world renowned philosopher Michael J. Sandel argues that to overcome the crises that are upending our world we must rethink the attitudes toward success and failure that have accompanied globalization and rising inequality Sandel shows the hubris a meritocracy generates among the winners and the harsh judgement it imposes on those left behind and traces the dire consequences across a wide swath of American life he offers an alternative way of thinking about success more attentive to the

role of luck in human affairs more conducive to an ethic of humility and solidarity and more affirming of the dignity of work the tyranny of merit points us toward a hopeful vision of a new politics of the common good
