what would you do if you woke up one morning and found a huge and lonely elephant at your door an elephant with

a letter hanging from its ear saying my name is dailan kifki and i beg you not to be alarmed at the fact that i m an elephant well you would probably adopt him too wouldn t you but when dailan kifki falls ill and ends up at the top of a tree only the fire brigade can get him down unfortunately the fireman who arrives seems more interested in flying away with the elephant than bringing him back to earth and so a charming surreal and very funny adventure begins complete with fold up forests a grumpy dwarf an unhelpful brother and a highly suspicious umbrella

the encyclopedia of twentieth century latin american and caribbean literature 1900 2003 draws together entries on all aspects of literature including authors critics major works magazines genres schools and movements in these regions from the beginning of the twentieth century to the present day with more than 200 entries written by a team of international contributors this encyclopedia successfully covers the popular to the esoteric the encyclopedia is an invaluable reference resource for those studying latin american and or caribbean literature as well

a comprehensive encyclopedic guide to the authors works and topics crucial to the literature of central and south america and the caribbean the encyclopedia of latin american literature includes over 400 entries written by experts in the field of latin american studies most entries are of 1500 words but the encyclopedia also includes survey articles of up to 10 000 words on the literature of individual countries of the colonial period and of ethnic minorities including the hispanic communities in the united states besides presenting and illuminating the traditional canon the encyclopedia also stresses the contribution made by women authors and by contemporary writers outstanding reference source outstanding reference book

this work is a guide to writers works and topics in central and south america and the caribbean it contains over 400 entries written by 160 contributors which are organized into four major types topic individual writer individual work and survey

includes information biography and bibliography on the argentine writer maría elena walsh in spanish

includes entries for maps and atlases

the argentine novel is a comprehensive bibliography of the argentine novel from its beginnings in 1788 the year miguel learte wrote las aventuras de learte until 1990 when such authors as osvaldo soriano and luisa valenzuela published their popular novels in addition to novels the bibliography includes works which may be considered under the rubric of short novel such as novela corta which in spite of its short length partakes more of the novel than the short story in its basic literary conception plot development and narrative scope where possible all editions of each novel or work are cited as well as translations into foreign languages and citations may be followed by one or more

critical commentaries or select bibliographies of additional studies on the work or its author this exhaustive work serves as the definitive guide to this genre in argentine literature a must for all collections that support comparative literature studies hispanic studies or as a guide to popular reading

in presenting this literature murray demonstrates both its specificity as irish argentine and its character as representative of immigrant literatures in general in doing so he reminds us of the crucial issues at stake both in the phenomenon of migration and in the cultural constructs to which migration gives rise these include the reality and idea of diaspora the experience of exile the shifting notion of home the ambivalences of nostalgia and the ambiguities of cultural identity with respect to the latter there is irony in the fact that in argentina the irish were called ingleses when one considers the extent to which british policies formulated in england contributed to the conditions that forced so many irish into emigration but as murray shows irish argentine literature does not register the same sense of oppression that we find in irish literature of the same period it is moved by different sentiments and reflects a rather more complex set of myths and loyalties if on one hand the irish home is the object of a nostalgic idealisation on the other hand argentine irish writers are forward looking and embrace their new land with the frank and open hearted spirit of joyce s fictional emigrant if some irish argentines hold nationalist irish sympathies others express the desire to participate in a more generally anglophone culture in argentina so that english comes to mean even for the irish in argentina english speaking rather than of england in tracing the shifting meanings of words the changing senses of identity and the relocations of literary form murray s work is written under the sign of migration as an interrogation of writing as migratory in several senses this book has relevance for a good deal more than the particular historical phenomenon and the works of literature which are its primary concern from the foreword by dr david spurr this monograph fills a large gap in the literary and cultural history of the irish diaspora the argentine republic in the 19th and 20th centuries since 2000 there has been a growing research interest in the irish in latin america and the caribbean this work is the only modern research by a skilled scholar on the topic

of the literature of the irish argentine the work has ground breaking material on specific authors their economic and their demographic milieu as well as assessments on irish allied cultural activities journalism politics and music
