this book contributes to empirical research on festivals and presents a model of event religion for interpreting festival experiences from a religious studies perspective it features a comparison of three hungarian case studies with different backgrounds a mindfulness festival a catholic event and a rock metal music festival the author suggests that examining event experiences along the four dimensions of spatiotemporality symbols community and inward experience provides a conceptual framework for understanding contemporary alternative religious beliefs behaviours and experiences she also utilises religionesque as an umbrella term for the various concepts that describe religion related experiences and approaches the book will be of interest to scholars of religion sociology anthropology and others with a focus on events and festivals

in innumerable discussions and activities dedicated to better understanding and helping teenagers one aspect of teenage life is curiously overlooked very few such efforts pay serious attention to the role of religion and spirituality in the lives of american adolescents but many teenagers are very involved in religion surveys reveal that 35 attend religious services weekly and another 15 attend at least monthly 60 say that religious faith is important in their lives 40 report that they pray daily 25 say that they have been born again teenagers feel good about the congregations they belong to some say that faith provides them with guidance and resources for knowing how to live well what is going on in the religious and spiritual lives of american teenagers what do they actually believe what religious practices do they engage in do they expect to remain loyal to the faith of their parents or are they abandoning traditional religious institutions in search of a new more authentic spirituality this book attempts to answer these and related questions as definitively as possible it reports the findings of the national study of youth and religion the largest and most detailed such study ever undertaken the nysr conducted a nationwide telephone survey of teens and significant caregivers as well as nearly 300 in depth face to face interviews with a sample of the population that was surveyed the results show that religion and spirituality are indeed very significant in the lives of many american teenagers among many other discoveries they find that teenagers are far more influenced by the religious beliefs and practices of their parents and caregivers than commonly thought they refute the conventional wisdom that teens are spiritual but not religious and they confirm that greater religiosity is significantly associated with more positive adolescent life outcomes this eagerly awaited volume not only provides an unprecedented understanding of adolescent religion and spirituality but because teenagers serve as bellwethers for possible future trends it affords an important and distinctive window through which to observe and assess the current state and future direction of american religion as a whole

religion and higher education in europe and north america illuminates the experiences of staff and students in higher education as they negotiate the university environment religious extremism has been rising across europe whilst recent attacks have thrown public debate around the place of religion on campus the role of universities in recognising and managing religious fundamentalism and freedom of speech on campus into sharper focus despite these debates research exploring religion on campus has been largely absent from discourse on higher education outside of america with policy and practices designed to deal with religion on campus largely founded on supposition rather than evidence this book speaks into that void including results from recent studies in the field which form an empirically grounded base from a broad variety of perspectives on religion at universities aiming to offer a deeper perspective more dialogue and engagement on the experiences of students religion and higher education in europe and north america presents us not only with an opportunity to counter growing trends of intolerance but for people to connect with the humanity of others
