this substantially revised and updated edition of a widely used textbook covers the major approaches to counseling and psychotherapy from a christian perspective with hypothetical verbatim transcripts of interventions for each major approach and the latest empirical or research findings on their effectiveness the second edition covers therapies and techniques that are increasing in use reduces coverage of techniques that are waning in importance and includes a discussion of lay counseling the book presents a christian approach to counseling and psychotherapy that is christ centered biblically based and spirit filled

connecting sound biblical doctrine to the practice of effective counseling jay e adams vocal advocate of a strictly biblical approach to counseling and author of the highly influential book competent to counsel firmly believes that the bible itself provides all the principles needed for understanding and engaging in holistic counseling but in order to bring the practice of counseling whether by professional therapists or by the church under biblical guidance we first have to deepen our understanding of scripture a theology of christian

counseling is the connection between solid theology the study of god and its practical application each of its sections are devoted to increasing our understanding of counseling s potential by looking at it through the lens of doctrines such as prayer and the doctrine of god human sin and the doctrine of man redemption and the doctrine of salvation forgiveness and the doctrine of sanctification no counseling system that is based on some other foundation can begin to offer what christian counseling offers no matter what the problem is no matter how greatly sin has abounded the christian counselor s stance is struck by the far more abounding nature of the grace of jesus christ in redemption what a difference this makes in counseling jay e adams with this book you ll gain insight into the rich theological framework that supports and directs your approach to how you help people change

what would it mean for christian counseling and pastoral care to take seriously the idea that god intervenes in the world in this volume more than twenty of the best pastoral counselors clinicians and counselor educators introduce us to the models that they use to integrate the scriptures and the work of the holy spirit into their daily practice

seasoned counselors and professors tim clinton and ron hawkins provide a landmark reference that offers a capstone definition of the emerging profession and ministry of the christian counselor appropriate for professional counselors lay counselors pastors students and teachers it includes nearly 300 entries by nearly 100 top christian counselors at approximately 500 pages this practical guide focuses on functional aspects of christian counseling and explores such important topics as christian counseling as a profession ministry and lay ministry spiritual and theological roots social emotional and relational issues skills and essentials in christian helping ethical and legal considerations intake assessment diagnosis and treatment planning premarital counseling family therapy and substance abuse counselors will also find up to date information on solution based brief therapy cognitive therapy and biblical truth and trauma and crisis intervention an essential resource for maintaining a broad and up to date perspective on helping others

an introductory look at the principles of biblical christian counseling this book is sure to find a wide and enduring audience through the american association of christian counselors over 50 000 members

stereotypical tendencies in christian counseling include either emphasizing sin at the expense of grace or grace at the expense of sin mark r mcminn seeks to overcome these exaggerations and enable all those in the helping professions see the proper understanding and place of both sin and god s grace in the christian counseling process

the essays collected in this volume examine evidence based approaches to christian counseling and psychotherapy exploring treatments for individuals couples and groups the book addresses both the advantages and the challenges of this evidence based approach and concludes with reflections on the future of such treatments

master the essentials of effective biblical counseling christ centered biblical counseling is a comprehensive resource that will help you understand how to minister from god s truth to change lives with the cumulative wisdom of almost 40 contributors with exceptional credentials and experience you ll discover a valuable model for counseling that explains the why of biblical counseling why the bible is sufficient and relevant for addressing every issue we face why biblical counseling is so effective in helping people face life s struggles

in christ s strengththe how of biblical counselinghow you can lead struggling hurting people to the hope and strength available only in christhow to counsel in a way that is christ centered and god glorifying every chapter provides a wonderful blend of theological wisdom and practical expertise and is written to be accessible to everyone who wishes to extend christ s love to others pastors church leaders counseling practitioners instructors lay people and students in this massively important new book leading figures in the biblical counseling movement set forth a wealth of wisdom we have needed this book for a long time dr r albert mohler jr president southern baptist theological seminary christ centered biblical counseling is warm personal gentle always wanting to listen and know the person confident in the spirit s working through the word of christ dr ed welch ccef faculty author of shame interrupted

my name is dr pearlie braswell tripp ph d i do not claim to be an expert in religion psychology or counseling but experience has taught me a lot about all three 2 timothy 2 15 says study to show thyself approved unto god a workman that needeth not be ashamed rightly dividing the word of truth i was born in 1943 in rocky mount north carolina into a christian family my family was attending the rock of ages holiness church my mother sister mary jones braswell played the guitar my sister christine braswell played the piano and the rest of the family sang there were seven of us girls my sisters frances christine doretha verna margaree and mary lee were older we were known as the braswell sisters my father was lee braswell the most handsome man in town i will never forget the great times we had in rocky mount nor will i forget the great rock of ages holiness church our church was two blocks away from our home that meant we had no real reason not to go many of my other relatives attended rock of ages also my mother s parents attended and so did her brother and his family those were what we now call the good ole days i really loved those days we traveled around singing the gospel until we left home for new york city in 1961 we were rooted and grounded in religion

what does a christian approach to counseling and psychotherapy involve the 2021 fuller integration symposium lectures by dr siang yang tan published in this book cover this topic with the overall title of a christian approach to counseling and psychotherapy christ centered biblically based and spirit filled the three lectures in three chapters are on 1 a christian perspective on human nature and effective counseling and psychotherapy 2 implicit and explicit integration in christian counseling and psychotherapy christian faith in clinical practice and 3 the role of the holy spirit in christian counseling and psychotherapy

christians are being called upon increasingly to care counsel and cure across cultural boundaries writes the author of course foreign missionaries counsel people from other cultures but so do many pastors particularly those in urban settings because christian counseling theory presupposes that counselor and counselee share the same culture the insights of this discipline must be brought together meaningfully with the cross cultural perspectives of missiology counseling cross culturally pioneers this new field after surveying approaches to counseling in the west and those in the non western world the author develops a theory of christian cross cultural counseling the final part consistent with the author s broad view of counseling discusses counseling concerned with the well being of people christian conversion spiritual growth and development of a christian life style and christian service numerous case studies drawn from a variety of cultures provide realistic examples of the questions that counselors will encounter a psychologist who trains christian workers for cross cultural service describes this book as a helpful thoughtful

study of complex issues surrounding counseling it is extremely valuable to expose any missionary candidate to this type of book it broadens awareness to cross cultural issues and touches on common problems of missionary counselors counseling cross culturally is an admirable attempt to integrate a conservative evangelical theology with the complexities of culture and life

whether you are a professional counselor meeting with a troubled couple or a layperson comforting a grieving friend counseling is something you may find yourself called to do at times from his years of experience as a clinical psychologist dr timothy foster has distilled the basics of what to do and how to do it in this practical guide in addition to offering sample counseling dialogues explaining a variety of verbal and nonverbal techniques and candidly discussing how to avoid harmful entanglements foster gives advice on counseling dos and don ts helping people who are depressed understanding how emotions work solving marital difficulties dealing with grief helping people confront themselves and much more the handbook of christian counseling is an essential reference you will want to keep on hand for easily accessible answers when others turn to you in their time of need

a well written comprehensive and very helpful guide to understanding and counseling pentecostal and charismatic christians it is a substantial and unique contribution to christian counseling and also to the field of counseling and psychotherapy back cover

a landmark textbook for christian counselors that unpacks the core theological convictions behind sound counseling and outlines practical wisdom for counseling today since the beginning of the biblical counseling movement in 1970 biblical counselors have argued that counseling is a ministry of the word just like preaching or missions as a ministry counseling must be defined according to sound biblical theology rather than secular principles of psychology for over four decades biblical theology has been at the core of the biblical counseling movement leaders in biblical counseling have emphasized a commitment to teaching doctrine in their counseling courses out of the conviction that good theology leads to good counseling and bad theology leads to bad counseling a theology of biblical counseling is an ideal resource for use in training biblical counselors at colleges seminaries and training institutes in each chapter doctrine comes to life in real ministry to real people dramatically demonstrating how theology intersects with the lives of actual counselees

how does one view christian counseling as a calling what is the role and task of the counselor from a theological perspective how does one strip away the ambiguity that is too often inherent in the words therapy and counseling in a religious setting ray s anderson has written this book as a theologian with a keen interest in helping christian counselors fulfill their task more effectively by enabling them to see that task more clearly too often even counselors who achieve effective results are beset by what anderson calls an uneasy conscience the realization that for some reason a little transactional analysis once a week works better than a month of sundays in curing the souls of troubled parishioners this book seeks to put that uneasiness and ambiguity to rest by helping counselors see their work as a means of grace rooted in a model of personhood that is both theologically and psychologically sound for realizing the full potential of each person christians who counsel has three parts involving building a foundation for christian counseling exploring the spiritual dynamics in counseling and describing counseling in a distinctly christian mode written without either theological or psychological jargon this

book is for all christians who counsel whether pastors lay counselors psychotherapists or family therapists with clarity of vision comes the power of a renewed commitment

change is the essential goal of the counseling process how can a christian counselor facilitate such change the answer of course may be found in scripture specifically in 2 timothy 3 14 17 professor pastor and well known counselor jay e adams bases his whole approach on scripture this book provides an unparalleled opportunity to see how he discovers and applies biblical principles as well as the way in which scripture functions as the basis for his counseling approach in how to help people change this book answers two questions how does a counselor help people change how does scripture provide the source of a counselor s method this book has much to say about the ongoing discussion of the relationship between theology and psychology in the enterprise of christian counseling jay presents a fresh perspective not only on how to counsel but also on what measures to take at what stages of counseling while touching on many aspects of counseling how to help people change is specifically designed to elucidate the process of counseling

seasoned counselors and professors ron hawkins and tim clinton offer a comprehensive guide that empowers christian counselors by clarifying their task to help people take possession of their souls through the power of the spirit under the authority of the word in a supportive community of accountability that they may be like christ the authors address head on today s enticing new imitations of true peace and tantalizing opportunities for people in pain to anesthetize themselves but they also highlight the foundation of hope god loves he empowers and he refuses to abandon his passion for connection with his children case studies illustrate how to help people take possession of the thinking self the feeling self the decision making self the physical self and the relational self this comprehensive plan for effective intervention is perfect for lay counselors students and professionals looking for ways to integrate their faith and practice

this book will help you evaluate how you can effectively integrate prayer scripture confession forgiveness and redemption into your life and counseling practice part of a professional series by the american association of christian counselors
