the lady in the pink suit by pham thudzung dennis asked the warren commission confirmed that lee harvey oswald the only gunman fired the single bullet from the sixth window of the school book depository of texas hit president john f kennedy from the back it went through the spine then got out from the president s throat and it caused injury for governor connelly did that bullet kill president kennedy no doctor helen augier mccarthy explained at the hospital we have a few cases similar to that they were us veterans from afghanistan or iraq or sometimes they re victims of automobiles motorcycles accidents these patients become invalids paralyzed from neck down but the patients are still alive jason said the fatal shot in the head fired from a person that nobody would suspect in an unbelievable circumstance that bullet finalized jfk s life

this new photographic analysis of the john f kennedy assassination takes a critical view of the warren commission report and the zapruder film to shed new light on a subject of enduring controversy illustrations throughout

affirmative action continues to be one of the most hotly contested issues in america volatile and divisive the debates over its legitimacy have inspired a number of reverse discrimination suits in the federal courts like the landmark 1978 bakke decision most of these have focused on preferential treatment given racial minorities in johnson v santa clara however the central issue was gender not race discrimination and the supreme court s decision in that case marked a resounding victory for women in the work force johnson v santa clara involved two people who in 1980 competed for a dispatcher position with the transportation department of santa clara county california paul johnson had more experience and slightly higher test scores but diane joyce was given the job based on affirmative action an irate johnson sued the county and won only to have the decision reversed in appellate court that reversal was subsequently upheld in the supreme court s 1987 decision reaffirming that it was legitimate for employers to consider gender in hiring preeminent legal historian melvin urofsky proves an exemplary guide through the complexities of this case as he takes us from the workplace through the various levels of our federal court system balancing the particulars of the case with an overview of constitutional law and judicial process he creates a model legal history that is both appealing and enlightening for the non scholar urofsky is especially good at highlighting the fundamental human drama of this case and shows how johnson and joyce were simply ordinary people each with valid reasons for their actions but both ultimately caught up in legal and social issues that reached well beyond their own lives affirmative action on trial pointedly addresses the issue of sex discrimination and the broader controversy over the place of affirmative action in american society the latter continues to generate headlines like those that followed the 1996 supreme court decision to let stand a lower court ruling that race cannot be used as a determination for admission to academic programs more recently several states have even taken steps to end affirmative action altogether while it s hard to tell how such actions will ultimately impact affirmative action there s no question that the rulings in cases like johnson v santa clara will continue to guide and influence the debates both inside and outside the courtroom

david wrone one of the nation s foremost authorities on the jfk assassination reexamines zapruder s film with a fresh eye and a deep knowledge of the forensic evidence

the authors of the bestselling books think out of the box and break out of the box now turn their attention to the topic of innovation how companies large and small can encourage the creative solutions that transform their businesses
