this authoritative and comprehensive survey features over 2 400 entries subjects range from battles soldiers and military activities to politics culture and the holocaust enlivened by 85 illustrations its panoramic perspective encompasses wwii s enduring influences on the american way of life a unique and valuable look at the war general james doolittle

traces the causes of world war ii explores the motivations of important people involved with it presents the events of the war grouped by the theater in which they took place and examines its aftermath

covers momentous events in the last month of world war ii from july 15 to august 15 1945 interwoven with personal experiences

historical personal and technical aspects of the second world war are explored in this six book series each book examines a different facet of the war from the military machines and battles to the leaders who brought their people through the terrible times details of military weaponry battle plans and personalities will bring this conflict alive for readers

drawing on previously unpublished eyewitness accounts prizewinning historian donald l miller has written what critics are calling one of the most powerful accounts of warfare ever published here are the horror and heroism of world war ii in the words of the men who fought it the journalists who covered it and the civilians who were caught in its fury miller gives us an up close deeply personal view of a war that was more savagely fought and whose outcome was in greater doubt than readers might imagine this is the war that americans at the home front would have read about had they had access to the previously censored testimony of the soldiers on which miller builds his gripping narrative miller covers the entire war on land at sea and in the air and provides new coverage of the brutal island fighting in the pacific the bomber war over europe the liberation of the death camps and the contributions of african americans and other minorities he concludes with a suspenseful never before told story of the atomic bombing of nagasaki based on interviews with the men who flew the mission that ended the war

presents an overview of world war ii including its origins battles and alliances political and diplomatic consequences and major figures involved

clear concise yet comprehensive world war ii in minutes is the quickest way to understand the greatest conflict in human history from its causes to its aftermath this book details in 200 mini essays every key event of the war including the rise of hitler the dunkirk evacuation the battle of britain pearl harbor midway and iwo jima the sieges of leningrad and stalingrad the bombings of hiroshima and nagasaki d day and the fall of berlin and much much more covers all aspects of world war ii origins and politics major battles great leaders weapons and technology civilian life and atrocities turning points and surrenders and the reverberations of the war through history illustrated with 200 contemporary photographs images and maps includes entries on the path to war the versailles treaty the spanish civil war mussolini and the rise of fascism adolf hitler winston churchill fdr and joseph stalin the sino japanese war the blitz u boat warfare and enigma the desert war operation barbarossa the battle of moscow resistance and collaboration the final solution colditz coral sea and guadalcanal the dambusters the bombing of dresden alamein kursk

montgomery zhukov rommel and eisenhower operation overlord the liberation of paris the battle of the bulge the yalta conference the berlin bunker the battle for okinawa kamikazes the atomic bomb casualties of war war crimes trials and the cold war

a truly global account of wwii the war that encompassed six continents

a comprehensive review of world war ii that offers a global level analysis written for academics and students of history world war ii in global perspective 1931 1953 presents a dynamic and global account of the historical events prior to during and after world war ii the author a noted expert on the topic explores the main theaters of the war and discusses the connections between them he also examines the impact of the war on areas of the world that are often neglected in historical accounts including latin america sub saharan africa and the so called neutral countries this comprehensive text clearly shows how in the struggle against the axis powers the united states replaced britain as the global superpower the author discusses the japanese invasion of manchuria in 1931 and the korean war 1950 1953 and argues that the core years of the war 1939 1945 cannot be understood without considering the turbulent events that framed them the text puts world war ii in context as a series of large regional conflicts that intersected and overlapped finally emerging as a genuine world war with the formal entry of the united states in late 1941 this vital text offers a comprehensive review of world war ii that frames it in a global context gives weight to the economic and political developments of the war provides a robust account of the main military campaigns contains illustrations and maps that themselves highlight little known aspects of the global war

adolph hitler lost wwii because of his blunders and the u s and its allies won wwii in spite of their blunders nearly a lifetime of research and study by a veteran of world war ii reveals the major political and military errors and mistakes which caused the greatest catastrophe in world history almost lost the struggle with the greatest evil the world has ever known failed to end the conflict in a decisive victory for the survival of freedom and democracy subjected the world to almost half a century of fear and turmoil in the cold war and wasted vast world resources on armaments while hundreds of millions of people suffered from hunger illness and death this analysis of the major issues and campaigns of world war ii concentrates on what went wrong with the conduct of the war which needlessly prolonged its brutal end and reveals how narrow was the margin between victory and defeat

military information no one told you about the greatest most terrible war in history

an indispensable reference on world war ii produced by the library of congress and edited by pulitzer prize winning historian david m kennedy with hundreds of illustrations and

quotations from contemporary documents this will be the most authoritative popular reference on world war ii the noted historian john keegan called world war ii the largest single event in human history more than sixty years after it ended that war continues to shape our world going far beyond accounts of the major battles the library of congress world war ii companion examines in a unique and engaging manner this devastating conflict its causes conduct and aftermath it considers the politics that shaped the involvement of the major combatants military leadership and the characteristics of major allied and axis armed services the weaponry that resulted in the war s unprecedented destruction as well as debates over the use of these weapons the roles of resistance groups and underground fighters war crimes daily life during wartime the uses of propaganda and much more drawn from the unparalleled collections of the institution that has been called america s memory the library of congress world war ii companion includes excerpts from contemporary letters journals pamphlets and other documents as well as first person accounts recorded by the library of congress veterans history project the text is complemented by more than 150 illustrations organized into topical chapters such as the media war war crimes and the holocaust and two chapters on military operations that cover the important battles the book also include readers to navigate through the rich store of information in these pages filled with facts and figures information about unusual aspects of the war and moving personal accounts this remarkable volume will be indispensable to anyone who wishes to understand the world war ii era and its continuing reverberations

unconditional defeat the second book in a pacific war trilogy that is part of sr books total war series examines the concluding stages of world war ii in asia and the pacific from november 1943 until september 1945 thomas w zeiler argues that this war without mercy could only come to one conclusion the complete unconditional defeat of japan by a mobilized overwhelming vengeful united states zeiler describes these final 22 months of the pacific war as a story of contrasts while the u s launched a methodical smothering attack with all the means at its disposal japan fought a fierce yet hopeless defense with diminishing supplies by november 1943 japan lacked the necessities not just for victory as in the earlier phases of the war but for adequate defense the japanese had no options the strategic planning rested with the americans zeiler s gripping and thorough overview discusses other contrasts between the two foes the americans planned multiple advances in the pacific ocean and on the asian mainland they used a massive number of troops devised and adopted new amphibious techniques and deployed the new nuclear category of weapons the japanese stubbornly but desperately clung to their territory often with the basest of defenses by august 1945 the united states forces at sea on land and in the air had brought japan near complete defeat in addition the japanese empire was diplomatically isolated japanese politics was in turmoil the government faced rebellion and

the emperor stood on the brink of extinction wracked by the destruction of the homeland from the air and blockade by sea japanese society veered near chaos and the people peered into the abyss of an uncertain future in the meantime america's military had experienced such horrors at the hands of japan that the u s made the difficult decision to unleash the atomic bomb despite the stark differences between the u s and japan argues zeiler there was one aspect of the war that both sides held i

accompanying dvd includes world war ii footage

this dictionary covers the complex and costly conflict that began when germany ruled by adolf hitler and the nazi party invaded neighboring poland on 1 september 1939 and concluded when germany surrendered on 7 9 may 1945 leaving much of the european continent in ruins and its population devastated the war against germany italy and the other european axis members was fought primarily in europe the mediterranean the middle east east and north africa and the atlantic ocean the axis powers were defeated by the allies led by the grand alliance of great britain the united states and the union of soviet socialist republics the historical dictionary of world war ii the war against germany and italy relates the history of this war through a chronology an introductory essay maps and photos and an extensive bibliography the dictionary section has more than 300 cross referenced entries on the countries and geographical areas involved in the war as well as the nations remaining neutral wartime alliances and conferences significant civilian and military leaders and major ground naval and air operations this book is an excellent access point for students researchers and anyone wanting to know more about world war ii

this is a revised and updated edition of evan mawdsley's acclaimed global history of world war ii beginning with the outbreak of the sino japanese war evan mawdsley shows how the war's origins lay in a conflict between the old international order and the new and traces its globalisation as it swept through asia europe and the middle east the primary focus is on the war's military and strategic history though also examines the political economic ideological and cultural factors which influenced the course of events the war's consequences are examined too not only in terms of the defeat of the axis but also of the break up of colonial empires and the beginning of the cold war accessibly written and well illustrated with maps and photographs the book also includes insightful short studies of the figures events and battles that shaped the war as well as fully updated guides to further reading

stories from those that lived through world war 2 read free with kindle unlimited act now before it's gone the events that will live on in infamy the world wars contained mistakes and

lessons that few will ever forget from the surprise attacks to the lives lost they consumed whole nations world war ii was no exception one of the best ways to learn about an event is to speak with someone who has lived through it in these pages you will find just that stories from those that lived through the horrors and dangers of war the one thing that all those in war areas know is that not only soldiers are witnesses to the hell that war brings at times civilians are caught in the mix the stories contained in this book are not only from the perspective of the soldiers or sailors that fought but also those caught in the cross fire from the heart of china to the island state of hawaii these stories encompass not only the history of the nations but also the history of the people this book includes personal stories that range from tragic to fascinating here s just a few things you ll learn about the japanese occupation of china a firsthand account of pearl harbor what happened when hitler went to paris churchill s thoughts on the famous peace in our time speech p ww2 the events that defined the war will take you through a side of history that some novice historians may be unaware of and put you in a front row seat to some of the pivotal events of world war ii download now scroll up to buy with one click
