here it is the latest from best selling author victoria bernhardt this book helps educators think through the selection of the data elements and data tools needed to support quality decisions for improving teaching and learning it shows you how to use data to help make decisions about strategies to improve student achievement

first published in 2001 this is a special issue volume 5 number 3 from 2001 of scientific studies of reading that looks at the dna of reading fluency in scientific inquiry accounts the contributors offer a selection of essays seeks to establish that that fluent reading is plainly developmental and represents an outcome of well specified sub lexical and lexical processes and skills developed for most children over a bounded period of pedagogical time rather than in just the school setting

this timely book describes the lessons learned from the long beach education partnership one of the most successful pre k through university partnerships in the united states it presents examples of best practices and highly effective strategies to bring about systemic change to improve student achievement

presents a comprehensive treatment of issues related to the inception design implementation and reporting of large scale education assessments in recent years many countries have decided to become involved in international educational assessments to allow them to ascertain the strengths and weaknesses of their student populations assessments such as the oecd's programme for international student assessment pisa the ieas trends in mathematics and science study timss and progress in international reading literacy pirls have provided opportunities for comparison between students of different countries on a common international scale this book is designed to give researchers policy makers and practitioners a well grounded knowledge in the design implementation analysis and reporting of international assessments readers will be able to gain a more detailed insight into the scientific principles employed in such studies allowing them to make better use

of the results the book will also give readers an understanding of the resources needed to undertake and improve the design of educational assessments in their own countries and regions implementation of large scale education assessments brings together the editors extensive experience in creating designing implementing analysing and reporting results on a wide range of assessments emphasizes methods for implementing international studies of student achievement and obtaining highquality data from cognitive tests and contextual questionnaires discusses the methods of sampling weighting and variance estimation that are commonly encountered in international large scale assessments provides direction and stimulus for improving global educational assessment and student learning is written by experts in the field with an international perspective survey researchers market researchers and practitioners engaged in comparative projects will all benefit from the unparalleled breadth of knowledge and experience in large scale educational assessments gathered in this one volume

the purpose of this volume is two fold first the book attempts to initiate a research based dialogue from a variety of perspectives specifically about teacher training and teaching in the context of student linguistic and cultural diversity and second to cast a wide net over three major areas of professional development that have the potential to impact on teacher quality and on the educational services provided to ell s at all levels of instruction this book represents a first attempt to a quiet revolution going on in teacher education johnson 2000 it allows the reader to uncover research activities and experiences that constitute individual teacher education program initiatives a revolution because it is stirring the very essence of what stands at the core of teacher education a core that has long been based more on training to teach monolingual english speaking students and less on teaching ell s their first and second language development using their bilingualism to teach academics and on the process of becoming an effective teacher of ell s this state of the art review brings together research on effective pedagogy and teacher training the nine feature chapters are directly concerned with effective new structures and practices for professional development and are presented in a framework that considers a wide spectrum of topics to address issues such as what teachers need to understand about english language learners what kind of professional experiences are likely to facilitate those understandings and what kinds of teacher education programs and school settings are able to support their ongoing learning the authors also discuss the implications of their work for helping english language learners connect and benefit from school from the points of view of 1 school reform 2 teachers bilingual proficiencies 3 teachers knowledge and beliefs and 4 teacher training programming and sustainability

in order to work toward eradicating extreme poverty and hunger the united nations millennium development goals significantly include universal primary education gender equality and empowering women effective early literacy instruction plays a critical role in achieving these goals from around the globe this issue presents evidence based culturally sensitive and cost effective practices in reading instruction and intervention in the early grades not only will this issue heighten awareness of the challenges faced but it will provide valuable information to help guide and improve diverse global education programs and research especially in developing regions and for children living in poverty or disadvantage in all nations presenting several experiences from small and large scale reading improvement programs it focuses on low and middle income countries describes challenges in implementing studying and scaling them up informs expectations on how quickly and easily reading performance can change and provides results and evidence of effectiveness this is the 155th volume in this jossey bass series new directions for child and adolescent development its mission is to provide scientific and scholarly presentations on cutting edge issues and concepts in this subject area each volume focuses on a specific new direction or research topic and is edited by experts from that field

includes reproducible forms of informal performance based and formal reading assessments

authors sandra mcintire and leslie miller have accomplished what few before them have been able to they have written a psychological testing book that is designed to lay a true foundation for learning and understanding the primary objective of this text is not to dwell on the details of individual psychological tests but to focus on the core concepts psychometrics required to gain an appreciation of how to use the tests properly written in response to a growing need for a textbook on psychological testing conducive to maximal

student learning an introduction psychological testing gives students an understanding of the basic concepts issues and tools used in psychological testing it then effectively illustrates how these concepts issues and tools are relevant to them in everyday educational clinical and organizational settings

for courses in assessment in special education written for future teachers and experienced educators classroom assessment for students in special and general education second edition provides the skills needed to effectively use assessment particularly informal assessment in understanding the needs of the whole student the primary text on classroom assessment procedures is now revised with the latest in authentic curriculum and performance based assessment measures with direct connections to instruction iep development and reporting to parents the focus is on providing teachers with a variety of assessment procedures the why what and how of testing directions on how to construct administer score interpret graph monitor write and report assessment results
