louis i kahn the nordic latitudes is a new and personal reading of the architecture teachings and legacy of louis i kahn from per olaf fjeld's perspective as a former student. The book explores kahn's life and work, offering a unique take on one of the twentieth century's most important architects. kahn's nordic and european ties are emphasized in this study, which also covers his early childhood in estonia, his travels, and his relationships with other architects, including the norwegian architect arne korsmo. The authors have gathered personal reflections, archival material, and other student work to offer insight into the wisdom that kahn imparted to his students in his famous masterclass. *louis i kahn the nordic latitudes* addresses kahn's legacy both personally and in terms of the profession, documents a research trip to the university of pennsylvania's louis i kahn collection, and confronts the affiliation of kahn's work with postmodernism.

Organizational change can be unpredictable and stressful. With a better understanding of what our brains need to focus, organizations can increase employee engagement, productivity, and wellbeing to successfully manage periods of uncertainty. Drawing on the latest scientific research, the third edition of *Neuroscience for Organizational Change* brings the work of neuroscientists out of the lab and into the workplace in a practical and accessible way. It explores the need for social connection at work, how best to manage emotions, how to top up our mental energy, what influences our behaviour, and our decision making, and why we need communication, involvement, and collaboration to help us through change. This updated edition features a new chapter on neurodiversity and psychological safety, as well as new content based on the latest fascinating insights from neuroscience, such as the impact of interoception on our decision making, how to create a challenge mindset at work, what makes us more receptive to feedback, and the role of interbrain synchronization in team performance and collaboration. Full of practical tips, interviews, and examples of how these insights have been applied from organizations such as pepsico, the neurodiversity employee resource group at philips, and the uk's office for national statistics, this essential guide provides a long-term view of the benefits of applying neuroscience in organizations.

This 224-page book, which is accompanied by online media with over 10 hours of content, gives an in-depth insight into rob's approach of working with subtractive synthesis. In 2001, rob papen began giving exclusive masterclasses teaching synthesizer sound design in his studio. For these training sessions, rob developed his own method to explain the secrets of subtractive synthesis, called the 4-element synth. This masterclass training is now transformed into a combined book and online media package that also delivers numerous tips and tricks which will help you to design and tweak your own sounds throughout the masterclass. A variety of hardware and software synthesizers are explored. We are sure this synthesizer sound design training is an eye opener for every synthesizer player, from novice to pro. A must-have for everyone who takes his sounds seriously.

First published in 2001, Routledge is an imprint of Taylor & Francis, an Informa company.

there aren't enough words for how much i love it marian keyes the irish answer to bridget jones will have you laughing one minute and crying the next ok the addictive and utterly hilarious romantic comedy from the no 1 bestselling aisling series aisling is thirty flirty and frazzled but just when she should finally be feeling all grown up she's floundering because when you're recovering from a broken heart and struggling to keep your café as sizzling as your award winning sausages it's hard to feel you've really made it as an adult which why now is not the time for a delicious new man to show up her best friend to demand the hen do of the century and a surprise celebrity appearance but aisling never one to worry about having too much on her plate rolls up her sleeves she's got this until she discovers that being a proper grown up means you can't do everything sometimes you will let someone down but will it be those she loves or herself humour warmth quintessential irishness incredibly uplifting woman home books of the year hilarious hello winner of popular fiction book of the year at the an post irish book awards praise for the aisling series hailed as the irish answer to bridget jones stuffed with laughs daily mail a joyful emotional heartfelt romp of a novel heat the year's funniest book to date hello
