writing workshop for years or are just learning the term launching the writing workshop will offer you a comprehensive plan for the first four weeks of a primary writing workshop. Lucy and Leah Mermelstein present both the precise language and pacing of their teaching and the reasoning behind it so that you can create the same powerful experiences with your own children. Whether writers write just a few labels on items in their pictures or write paragraphs by the end of this unit, all children know that in order to write, a writer fills him or herself with an idea, plans how the text will go, and then draws and writes as best he and she can, working to make the page match the writer's vision. The eight accompanying video clips convey the inner workings of writing workshops in a variety of primary classrooms. These live from the classroom video clips are supported and enhanced by an optional voice-over coaching commentary from Lucy that explains the teaching moves and strategies. Video clips are free for 6 months upon registration; you must register within 6 months of purchase. Learn more about these resources and the series at unitsofstudy.com.
