in luxembourg the evolution of cultural policy remains underexplored despite its

pivotal role in the nation building process this book investigates how national cultural policy evolved from the 1920s to the early 1970s casting luxembourg as a nationalized intermediate space between french and german influences featuring a case study of the history and art section of the state museums the precursor to today s musée national d archéologie d histoire et d art the book examines the interplay of structures actors and discourses and how a cultural institution was intertwined with cultural policy the study exposes the tensions between adopting external models on the one hand and asserting a distinct national culture amid interventionist policies on the other hand by including the occupation period from 1940 to 1944 it illustrates how nazi policies challenged luxembourg s nation building by seeking to integrate it into the third reich combining theoretical analysis with archival research this work offers nuanced insights into nation building processes and is highly relevant for historians cultural policy scholars and museum professionals

this situation analysis was undertaken to inform responses to several resolutions made at the 5th world conservation congress in 2012 about the plight of large vertebrates in west and central africa it draws on a wide range of information to provide information on the status of these species important sites pressures legislation the effectiveness of protected areas and both community based incentives for conservation and institutional responses the overriding conclusion is of substantial wildlife declines and inadequate responses to either long standing pressures or rapidly escalating threats that have emerged in recent years

dac7 rules for digital platforms comparing eu member states implementation edited by juan manuel vázquez felix desmyttere council directive 2021 514 of the european union dac7 introduces among other measures a standardized tax reporting requirement for digital platform operators under this requirement platform operators must collect validate keep records and report to the tax authorities of member states specific personal and transactional data concerning their sellers the reported information is then automatically exchanged between tax authorities this book provides a comprehensive and systematic assessment of how dac7 rules for digital platforms have been implemented by member states in their national laws and examines whether common or divergent approaches and interpretations of specific provisions have emerged a systematic exploration and comparative analysis of the implementation of dac7 rules is essential for several reasons including the following certain key definitions within dac7 lack clarity and precision interpretative and practical guidelines on dac7 issued by competent member state authorities are not always aligned the definitions of some elements of dac7 rules e g penalties and enforcement remain a competence of member states and therefore vary significantly across jurisdictions and dac7 rules interact with existing similar legislation and reporting requirements in member states domestic tax regimes adding additional layers of complexity these issues are

covered in depth by experts who contribute national reports from 19 eu member states combining legal analysis with practical implementation insights two introductory chapters provide an overview of dac7 rules at the eu level and offer a comparative analysis of key differences and similarities in implementation across eu member states visual tools simplify the complex application of dac7 definitions in practice and facilitate cross jurisdictional comparison of the directive s implementation this book is the result of a conference organized by the amsterdam centre for tax law actl of the university of amsterdam uva in november 2023 under the umbrella of the research project designing the tax system for a cashless platform based and technology driven society cpt project the book will be of significant value to a wide range of stakeholders impacted by dac7 in particular it will assist businesses operating digital platform including non eu based in assessing dac7 related risks and compliance obligations across the european union legislators and tax authorities of eu member states in identifying areas that require further harmonization or clarification tax lawyers and professionals in managing legal challenges related to dac7 businesses and individuals selling via digital platforms who may be affected by dac7 reporting requirements and academics and researchers interested in tax transparency frameworks and the interaction between tax law eu law and platform regulation
