contrary to the popular belief sales people don't rely on the gift of the gab to be successful actually the opposite is true the best sales professionals spend far more time asking and listening than they do talking and selling they ask questions of their customers they ask questions of their colleagues and they ask questions of their managers if Oxford defines curiosity as the strong desire to know or learn something then by that definition sales people are curious by nature in fact that's how sales professionals learn to be professional in the first place this is a collection of practical answers to questions sales people ask most written by Susan A. Enns a professional sales coach with a proven track record of sales excellence over her 30 plus year career her accomplishments include consecutively being the top sales

rep in canada managing the top sales branch and achieving outstanding sales growth in a national channel sales organization she has written several books about sales and sales management and has created numerous automated sales tools her work has been published in several locations numerous times and has sold on five separate continents as such over the years susan has been asked many questions by many sales people after a while she saw that sales people regardless of their experience the products they sell the industries in which they operate or the countries where they sell all share similar curiosities in other words although the wording may be different when asked in an email or when asked in person sales people all ask the same questions the most common of which are answered in this ebook as the old saying goes the only stupid questions are the ones unasked as a sales professional you should never be afraid to ask the sales coach because you will learn so much from the answers susan really knows the selling world she s honest articulate bright giving highly competent personable and a top professional welcome her it s the right thing to do our company hired susan as our sales coach she has helped me make more appointments close more deals and make more money the 3 most important concepts in sales i would recommend any sales force hire her to help boost business sales susan understands the sales process intimately and is able to create a management process around it that drives sales people to accomplish their goals susan knows her stuff she brings many years of great sales experience and success to anyone who wished to improve their skills in sales she is very personable and is not afraid to tell it like it is i would recommend anyone and i have to susan her website her books if you want to become a better sales person thanks for the training i made my quota this year in may

ehrmann whom parade calls the most important coach in america describes his coaching philosophy and explains how sports can transform lives

research on coaching education and development highlights repeatedly the difficulties of traditional coaching education to impact coaching practice practice seems to be disconnected from scientific theory with few coaches accessing the scientific literature as it too often is presented in dry academic tones this volume sets out to provide an integration of theory and everyday practice that to date has not yet been published in the field of coaching science in a text easily used by sports coaches in order to bridge this theory to practice gap becoming a better sports coach development through theory application presents theory and science connected to practice in a way that makes it possible for coaches to test evaluate and improve upon their existing coaching practice this hands on approach sets out to improve coaches cognition and raising self awareness as well as improve coaches learning using specific tools for behavioural feedback and reflection improving on self reflective skills and eliciting feedback on the coach s own behaviour is how coaching practice is improved what coaching practice includes and what is laid out for coaches in this new text is motivational climate coaching behaviours pedagogy feedback coach athlete relationship each in one chapter reflection and behavioural feedback are applied to each of these areas

drawing from his experiences as a player coach and fan a lou vickey answers such questions as what is a corked bat what makes a good base stealer and where will the money to pay escalating salaries come from

this volume investigates our ability to capture and then apply expertise in recent years expertise has come to be regarded as an increasingly valuable and surprisingly elusive resource experts who were the sole active dispensers of certain kinds of knowledge in the days before ai have themselves become the objects of empirical inquiry in which their knowledge is elicited and studied by knowledge engineers experimental psychologists applied psychologists or other experts involved in the development of expert systems this book achieves a marriage between experimentalists applied scientists and theoreticians who deal with expertise it envisions the benefits to society of an advanced technology for capturing and disseminating the knowledge and skills of the best corporate managers the most seasoned pilots and the most renowned medical diagnosticians this book should be of interest to psychologists as well as to knowledge engineers who are out in the trenches developing expert systems and anyone pondering the nature of expertise and the question of how it can be elicited and studied scientifically the book s scope and the pivotal concepts that it elucidates and appraises as well as the extensive categorized bibliographies it includes make this volume a landmark in the field of expert systems and ai as well as the field of applied experimental psychology

includes abstracts of magazine articles and book reviews

provides information on the workings and structure of a first lego league competition covering such topics as organizing a team finding equipment and funding designing and building robots and using strategies and techniques to increase scores

this work which unlike most of the books on the subject written at the time has retained its popularity covers in great detail the major coaching roads to bath exeter portsmouth brighton dover york and holyhead the author considered the roads and the coaching inns from the viewpoint of the traveller and did not confine himself to any particular era the result is a fascinating series of descriptions of the social life which passes between the province and london
