this book examines the role and impact of eu international human rights and refugee law on national laws and policies for integration and argues for a broad understanding of the relationship between integration and the law it analyses the legal foundations of integration at the international and regional levels and examines the interaction of national eu and international legal spheres highlighting the significance of these dimensions of the relationship between integration and the law the book draws together these central themes to enhance our understanding of the connections between integration and the law it also makes specific recommendations for the development of holistic human rights based approaches to integration in eu member states the book will be of value to academics and researchers working in the areas of immigration and refugee law as well as those interested in cultural diversity both from a legal and sociological perspective

the post independence integration endeavor of the east african community has been punctuated with challenges culminating into the collapse of the 1967 1977 regional organization the renaissance of the integration agenda since the re establishment of the regional organization in 1999 has rekindled epistemological debate among scholars and practitioners on the east african community raison d etre and integration process this volume is the first of its kind in this ongoing debate that puts into proper context the nexus between the east african citizens and the integration agenda focusing on the partner states case studies the authors of the chapters operationalize the concepts of popular participation eastafricanness eastafricanization democratization and integration using political national constitutions and eac treaty communication and awareness dimensions the authors of the chapters have analyzed the nexus between the eaccitizens and the integration process the study generally proceeds from the premise that the exclusion of the eac citizens from exercising their sovereign rights through popular participation undermines the prospects for the institutionalization and consolidation of the eac identity eastafricanness eastafricanization democratization and integration
