the ultimate goal of this book is to increase anyones faithlessness weak faith or little faith to a substantial gravity of mature and deep faith in our lord and savior jesus christ since true faith is the bridge between god and man the bible clearly spells out jesus is the author and finisher of faith and every believer in him ought to follow his footsteps while reading this book a genuine transformation in your faith may take place and you may feel the amount of faith slowly enhances and spiritual darkness gradually vanishes feel the light arrive which would eventually portray the bright and morning star and it is nobody but jesus christ he is the bishop of all souls who knocks at every door to open and anyone opens by faith he would dine with him or her and that person would truly understand he is the author and finisher of your faith

in this book watchman nee deals with issues of faith providing a perspective of the gospel of jesus christ as well as providing guidance in how to walk in the path of faith

the 5 dimensions of faith is a detail teaching on faith and what makes it different from believing many christians are confused and frustrated today because they lack the understanding of what faith is and what believing is in this book you will learn the 5 dimensions of faith in clear details like no one ever told the church you will also learn how to grow your faith to become great faith you will also know why a lot of christians have little faith and some weak faith and how to change the two into strong and great faith because of miss understanding on the subject of faith some christians don't even like to hear about it even when they enter into book stores they never think about getting book that teaches about faith if they do perhaps it will be the last book they will ask for but the bible says you cannot please god without faith the bible also teaches that the just shall live by faith we all know that without physical food the body can function in the same way without faith your spirit can not function properly we are to live on faith like we do with physical food otherwise we will find it difficult to grow spiritually and to put the devil where he belongs under our feet the bible says that faith comes by hearing hearing what of course the word of god jesus says man shall not live by bread alone but by every word that proceeds out of the mouth of god to live on the word means to live on faith after reading this book in its entirety your faith will grow beyond you could ever imagine you will know that life is controlled from the spirit and not from the natural and faith is the middle man between the spirit realm and the physical world with the knowledge you will acquire you can change anything and you can all things through christ which strengthens you

the power of faith first i thank my god through jesus christ for you all that your faith is spoken of throughout the whole world for god is my witness whom i serve with my spirit in the gospel of his son that without ceasing i make mention of you always in my prayers for i am not ashamed of the gospel of christ for it is the power of god unto salvation to everyone that believeth to the jew first and also the greek for therein is the righteousness of god revealed from faith to faith as it is written the just shall live by faith so then faith cometh by hearing and hearing by the word of god god is faithful by whom ye were called unto the fellowship of his son jesus christ our lord because the foolishness of god is wiser than men but in the power of god but as it is written eye hath nor seen nor heard neither have entered into the heart of man the thing which god hath prepare for them that love him therefore we are always confident because we walk by faith not by sight we are confident i say and willing rather to be absent from the body and to be present with the lord therefore if any man be in christ he is a new creature old things are passed away behold all things are become new therefore as ye abound in everything in faith and utterance and knowledge and in all diligence and in your love to us see that ye abound in this grace also and i thank christ jesus our lord who hath enabled me for that he counted me faithful putting me into that ministry and the grace of the lord was exceeding abundant with faith and love which is in christ

jesus this is a faithful saying and worth of all acceptance that christ jesus came into the world to save sinners of whom i am chief holding faith and a good conscience which some having put away concerning faith has made shipwrecks

god's gift to all believers some believe that simply having faith is an entitlement to blessing and prosperity others believe that faith in oneself is all that is needed in life still others contend that faith is a cosmic force that breeds superhuman super spiritual invincible power it is none of these faith is not something requiring you to believe in what you know is not true nor is it believing something for which there is no evidence the bible a book all about faith provides the evidence that makes faith so vital so important and so astounding in faith the link with god's power international evangelist reinhard bonnke draws from his years of personal study and vibrant ministry to reveal that faith is like a wiring system that carries power into our lives faith itself is not the power but it links us to the power source there is no link to god's power without faith our belief in what happens tomorrow stems from what we already experienced yesterday it is not the size of your faith but the size of the god you believe in that determines the results reinhard bonnke is more qualified than most to shed light on what it means to minister in the power of the holy spirit he and his cfan team regularly conduct gospel crusades in africa where signs and wonders follow the preaching of the gospel in one six day crusade more than 1 600 000 people attended a single service with 3 450 000 making positive decisions for christ over the course of the event indeed these are days in which god's people can abound in faith

this book unravels mysteries corrects misunderstandings and offers thoughtful straightforward responses to common objections about the catholic faith bestselling author scott hahn a convert to catholicism has experienced the doubts that so often drive discussions about god and the church in the years before his conversion he was first a nonbeliever and then an anti catholic clergyman in reasons to believe he explains the how and why of the catholic faith drawing from scripture his own struggles and those of other converts as well as from everyday life and even natural science hahn shows that reason and revelation nature and the supernatural are not opposed to one another rather they offer complementary evidence that god exists but he doesn t merely exist he is someone and he has a personality a personal style that is discernible and knowable hahn leads readers to see that god created the universe with a purpose and a form a form that can be found in the book of genesis and that is there when we view the natural world through a microscope through a telescope or through our contact lenses at the heart of the book is hahn s examination of the ten keys to the kingdom the characteristics of the church clearly evident in the scriptures as the story of creation discloses the world is a house that has a father a palace where the king is really present god created the cosmos to be a kingdom and that kingdom is the universal church fully revealed by jesus christ

while the question is faith reasonable has continually occupied philosophers and theologians little attention has been paid to what faith itself is the act of

faith remedies this neglect by looking at what it means for a person of christian faith to believe eric springsted contrasts modern views of faith with the christian tradition running from augustine through aquinas and calvin in reviewing such thinkers as locke and hume springsted discovers that behind modern discussions of the reasonableness of faith lie key assumptions about the human self including the views that the good is a matter of choice and that we can exercise objective uninvolved reason according to springsted however the church has not viewed faith in this way his survey of the augustinian tradition shows that the self our most esteemed christian thinkers had in mind when talking about faith was a moral self one defined by character and self involvement christian faith is at root a participation in the good and reasoning within faith is reasoning within the life of god drawing on contemporary philosophers and theologians like john henry newman and simone weil springsted builds a fresh understanding of faith for today he shows how the inner act of faith is ultimately a radical willingness to be open to god and he argues that the faithful self is one that develops within a community that shapes its members through the morally formative activities of interaction teaching and sacramental practice

it is difficult today to discern much of a difference between christians and non christians the person who claims to be a christian with saving faith seems no different from the one who claims otherwise in this context many are left wondering what true faith is this brief study on paul s letter to titus addresses the question of what it means to be a genuine follower of jesus christ may this book challenge you to explore afresh the necessity of pursuing good works in view of god s free gift of salvation

in this book stuart blanch offers a personal view of christian faith richly illustrated from the bible from the writings of great thinkers throughout history from contemporary life and from his own experience in his exploration of the strange impulse that turns belief to faith blanch is not afraid to tell of times when his own faith faltered but his experience of responding to fear doubt and suffering has led him to a deeper understanding of what it means to live by faith not a successful christian life with unfailing serenity and easy solutions but the gradual indwelling of christ who lives in me back cover

fundamental source of all the spiritual goods we need and cherish fr giertych has served as the theologian of the papal household for two popes his is wisdom you can trust

aligned is about discovering faith at its most basic level for the most part faith is a vague word centered primarily on the ideas of belief or believing not only is that the case for the public at large but unfortunately it is often true of many christians as well
