a magnificent work of scholarship edmund de waal i learned something new on every beautifully illustrated page neil macgregor a fascinating book about a long forgotten world hadley freeman through a series of striking case studies this revelatory book explores the world of jewish country houses their architecture and collections and the lives of the extraordinary men and women who created transformed and shaped them country houses are powerful symbols of national identity evoking the glamorous world of the landowning aristocracy jewish country houses properties that were owned built or renewed by jews tell a more complex story of prejudice and integration difference and connection many had spectacular art collections and gardens some were stages for lavish entertaining while others inspired the european avant garde a few are now museums of international importance many more are hidden treasures and all were beloved homes that bear witness to the remarkable achievements of newly emancipated jews across europe and to a dream of belonging that mostly came to a brutal end with the holocaust beautifully illustrated with historical images and a new body of work by the celebrated photographer hélène binet this book is the first to tell that story from the playful historicism of the national trust s waddesdon manor in buckinghamshire to the modernist masterpiece that is the villa tugendhat in the czech city of brno and across the atlantic to the united states where american jews infused the european country house tradition with their own distinctive concerns and experiences

the wide ranging portrayal of modern jewishness in artistic terms invites scrutiny into the relationship between creativity and the formation of jewish identity and into the complex issue of what makes a work of art uniquely jewish whether it is the provenance of the artist as in the case of popular israeli singer zehava ben the intention of the iconography as in ben shahn s antifascist paintings or the utopian ideals of the jewish palestine pavilion at the 1939 new york world s fair clearly no single formula for defining jewish art in the diaspora will suffice the art of being jewish in modern times is the first work to analyze modern jewry s engagement with the arts as a whole including music theater dance film museums architecture painting sculpture and more working with a broad conception of what counts as art the book asks the following questions what roles have commerce and politics played in shaping jewish artistic agendas who determines the jewishness of art and for what purposes what role has aesthetics played in reshaping religious traditions and rituals this richly

illustrated volume illuminates how the arts have helped jews confront the various challenges of modernity including cultural adaptation and self preservation economic diversification and ritual transformation there truly is an art to being jewish in the modern world or alternatively an art to being modern in the jewish world and this collection fully captures its range diversity and historical significance

first published in 1997 for this second edition of art books a basic bibliography of monographs on artists the vast number of new books published since 1985 was surveyed and evaluated this has resulted in the selection of 3 395 additional titles these selections reflective of the increase in the monographic literature on artists during the last ten years are evidence of the activities of a larger number of art historians in more countries worldwide of the increasingly diverse and ambitious exhibition programs of museums whose number has also increased dramatically and also of a lively international art market and the attendant gallery activities the selections of the first edition have been reviewed errors have been corrected and important new editions and reprints have been noted the second edition contains 278 names of artists not represented in the first edition

the 21st century s first major academic reassessment of impressionism providing a new generation of scholars with a comprehensive view of critical conversations presenting an expansive view of the study of impressionism this extraordinary volume breaks new thematic ground while also reconsidering established questions surrounding the definition chronology and membership of the impressionist movement in 34 original essays from established and emerging scholars this collection considers a diverse range of developing topics and offers new critical approaches to the interpretation of impressionist art focusing on the 1860s to 1890s this companion explores artists who are well represented in impressionist studies including monet renoir degas and cassatt as well as morisot caillebotte bazille and other significant yet lesser known artists the essays cover a wide variety of methodologies in addressing such topics as impressionism s global predominance at the turn of the 20th century the relationship between impressionism and the emergence of new media the materials and techniques of the impressionists and the movement s exhibition and reception history part of the acclaimed wiley blackwell companions to art history series this important new addition to scholarship in this field reevaluates the origins chronology and critical reception of french impressionism discusses impressionism s account of modern identity in

the contexts of race nationality gender and sexuality explores the global reach and influence of impressionism in europe the middle east east asia north africa and the americas considers impressionism s relationship to the emergence of film and photography in the 19th century considers impressionism s representation of the private sphere as compared to its depictions of public issues such as empire finance and environmental change addresses the impressionist market and clientele period criticism and exhibition displays from the late 19th century to the middle of the 20th century features original essays by academics curators and conservators from around the world including those from france germany the united states the united kingdom japan turkey and argentina the wiley blackwell companion to impressionism is an invaluable text for students and academics studying impressionism and late 19th century european art post impressionism modern art and modern french cultural history
