motivate yourself and your team use time management develop a vision and goals for your team be a good communicator lead by example

it s monday morning and you have a knot in your stomach as you think of going to work you recently started a new job as a team leader you were very excited in the beginning but it has been a tough week your team members don t seem too happy with you people have been skipping meetings you ve been drowning in emails and requests two of your team members are not even talking to each other and your new boss wants you to present your team s plans for the year when you have barely a plan for next week you are realizing you actually have no clue how to be a team leader sure you re great at what you do and you ve been a great team player but nothing in your professional training taught you how to do this this being putting together a team actually putting together an amazing team how do you bring together disparate characters and create something bigger and better than the sum of the parts how do you achieve the goals you ve promised to the organization and to yourself goals which can only be accomplished through teamwork what do you do when conflict explodes how do you ensure that managing your team s request doesn t eat up all your time unless you actually studied for a career in management or business administration chances are you were never taught anything about team leadership and managing people this book is for you if a you have just started as a team leader at work in a sport or a hobby or when volunteering but have never learned about leadership and management in your career b you have been a leader for a while but are currently facing a crisis period and feel you don t have the tools to resolve it or if you want to learn new ways to strengthen your team get better results and build a better work environment this book is a practical guide to accompany you through the process of becoming a great leader and putting together a dream team it will show you how to identify the leadership skills you already possess and build on them successfully transition from team member to team leader get rid of overwhelm and learn to manage your time achieve your team goals through smart planning and follow up strategies manage the team formation process to create a strong cohesive team maintain smooth communication by establishing solid systems help your team members avoid or overcome demotivation and burnout resolve conflict constructively this book focuses both on developing the mindset that can help you become a great team leader and on building the strategies that will help you reach your goals maintain team spirit and communication and prevent conflict this is the book i

wish i had when i started as a team leader years ago i ve put together all the best strategies i researched and tested through my own journey as a leader after reading this book and testing the practical ideas in it within weeks you ll see positive changes in how your team relates to you and to each other you ll feel empowered you ll have a clear vision of who you want to be as a leader and what you want your dream team to look like and most importantly the tools and the plan that will make that vision a reality my goal with this book is that you will find simple easily implementable solutions to the problems that now seem insurmountable that tomorrow instead of dreading your team meetings you ll start looking forward to interacting with your team that in a few weeks from now the grey cloud of dread boredom and stress hanging over you every monday morning when you have to hit the office will disappear and the sky will look bright blue as you go re join that dream team of yours for another week of astounding successes the journey starts here it s a fun one

a small group of experienced business leaders and academics have teamed up to create an innovative and potentially disruptive approach to developing leadership in the 21st century the result is a unique people centric and scientifically researched theory of leadership linked to an accurate data based assessment and diagnostic product this is the result of several years of study and development as well as many years of curiosity and experience this is a new approach to leadership development the authors use a combination of leadership experience research and science to move away from unprovable theory and subjective judgment to deliver a definable product with unlimited application for individual leaders looking to maximise personal development and results or for organisations wanting to analyse leadership and its effects across an entire structure or business this book will redefine understanding and development the work has proved that team members perceptions of a leader and leadership behaviours will define their motivation willingness loyalty output and mental health far more than the actual leadership behaviours themselves the authors application of emergent team leadership theory why and to what degree team members attribute leadership to their leaders directors or managers leads to accurate assessments of how leaders and leadership are viewed in teams businesses and organisations importantly the work is so accurate that individual leaders can define precisely where to focus their personal development to get the most from themselves and their teams even for

leaders and managers of the same grade in the same role personal leadership development and training will be different this work has developed the leadership pathway audit that measures the effectiveness of leadership for any leader or any team and will over time chart how leadership changes as any factor of the leader the team or the situation changes each leader director or manager gets a unique representation of the perception of their leadership at any time and a detailed report on the data and perceptions behind this representation there are limitless options for following this with bespoke analysis of an individual's leadership and for personal development programs tailored to their profile and organisation equally reviewing the entirety of a business or organisation's leadership profiles gives an incredibly accurate view of leadership across an entire company organisation or sector

given the reality of today's teams global remote often 24/7 it is time for a fresh look at the topic a must read jon pershke vp strategy transformation customer solutions lenovo many organizations believe that high functioning teams hold the key to breakthrough thinking superior customer service and high quality products but all too often leaders and managers fail to support teams so that they can deliver on their promises for instance many leaders ask for teamwork but only reward and evaluate individual performance focus on the group at the expense of individual members or leave team members to sort out their differences leading to the formation of unhealthy cliques in 3d team leadership bradley l kirkman and t brad harris present a dynamic new model for maximizing team performance previous books have treated teams as groups of people working interdependently an approach that overlooks two crucial components the individuals who make up the team and the subgroups that form within and between teams to create a fuller portrait of team behavior kirkman and harris propose an innovative 3d framework that takes into account all three factors drawing on their own research best in class studies and extensive consulting they show leaders how to properly diagnose the state of their teams hone in on the element that needs attention and seamlessly shift focus among the three components of teamwork as time goes on delivering practical guidance rooted in scholarship 3d team leadership is a thoughtful and straightforward guide for the complex challenge of teaming today this handbook from two experts makes the latest evidence on team leadership accessible to anyone looking for insight in a messy and complex world adam grant 1 new

york times bestselling author of think again
