here at remington it has become clearly evident that mediocrity was not a path chosen by anyone in this book
it has also become vividly apparent that humanitarian contribution was a common theme in the lives of
many of these professionals and as a company we made it our primary objective to recognize those
contributions first and foremost although the foundation of our company is based on networking and mutual
collaboration we felt it was our moral obligation to assist in any way we can the professionals who
demonstrated extreme self sacrifice and compassion for others we would also like to mention that our staff
went to great personal length to get the fine details of each and every person in this book we pride ourselves
in offering much more than a registry and a basic summary of each professional we encourage you the
reader to immerse yourself in the lives of others experience the joy pain adversity fear and heroism of some
of the most brilliant professionals on our planet speaking for myself and the staff of the remington registry
of outstanding professionals we hope you enjoy reading our book and it is our sincere desire that you draw
inspiration from it and use it as a tool when relentlessly pursuing your dreams
