while most businesses have been radically updating their notions of quality service customers and hierarchy they have done nothing to modernize their pay philosophies or strategies for decades the authors identify the four most common organizational work cultures and explain how to align innovative pay policies with each type

pay for performance has become a buzzword for the 1990s as u s organizations seek ways to boost employee productivity the new emphasis on performance appraisal and merit pay calls for a thorough examination of their effectiveness pay for performance is the best resource to date on the issues of whether these concepts work and how they can be applied most effectively in the workplace this important book looks at performance appraisal and pay practices in the private sector and describes whetherâ and howâ private industry experience is relevant to federal pay reform it focuses on the needs of the federal government exploring how the federal pay system evolved available evidence on federal employee attitudes toward their work their pay and their reputation with the public and the complicating and pervasive factor of politics

although performance pay is used in many industrialized nations the structure and success of this pay system vary widely depending on the institutions regulatory framework and legal settings of each country this book makes the details and effects of these local variations clear for the first time world renowned experts on the programs in their respective countries provide in depth analyses of performance

pay in the united states canada france the united kingdom germany australia japan and brazil they draw out common themes across the countries as well as country specific determinants of the use of performance pay and its level of success

of pay for performance benefits and risks associated with pay for performance what are the goals of pay for performance who should be paid for performance how should employees be rewarded how should performance based pay be funded how can costs be managed who provides input to performance ratings how can agencies facilitate pay system integrity

understand how to design and implement reward management in the workplace

the compensation packages of a growing proportion of firms include pay schemes that are linked to employee or company performance yet little is known about the patterns of performance related pay this book compares us and european ceos to investigate the evolution of executive compensation its controversies and its resulting regulations

this book was written to bring together a summary of the current knowledge on merit pay and to further advance understanding of this type of incentive pay plan when the writing of the first edition was begun in 1989 there were no books devoted exclusively to the subject of merit pay thus this book was written to fill a void in the compensation literature since then surveys have shown that merit pay remains a frequently used method of incentive compensation and research into the merit pay process continues to grow however other forms of incentive pay such as gainsharing continue to receive the most attention as evidenced by the number of books and articles on this topic in the popular press in response to the frequent use of merit pay in organizations and the growing body of research a book length treatment of merit pay was needed what we hope to do with this second edition beyond updating is to link merit pay with the many changes going on in total compensation or reward management r heneman 2001a 2002 we also will argue that even among all the

challenges and changes that organizations currently face there is still merit in appropriately conceived and implemented merit pay plans bates 2003c
