this teacher manual is based on betsy caram s book women of influence and distinction in this book the author shows it is very evident from scripture that women are and always have been very much involved in the plan and purposes of god in the earth women have been the instruments of god in the past and he still uses them today to accomplish his ministry to a lost and dying world this book will examine the lives of many of the women found in scripture considering the special characteristics which caused them to be recorded in the bible s sacred pages

gender and mental health is a growing field in psychiatry and in the last three to four decades many different aspects of women s mental health have bloomed researchers have gained a better understanding of the psychological social and cultural aspects of mental health problems in women and it is possible to describe classify and circumscribe different diagnoses as they appear in the female gender epidemiological data has also shown an increased frequency in different clinical aspects of many psychiatric disorders in addition research into areas including eating disorders perinatal psychiatric disorders and the long term effects of abuse have helped us to appreciate the societal parental and personal consequences of mental health problems the oxford textbook of women and mental health is dedicated to fundamental aspects in women s mental health part one of the text covers topics from women s health as a global issue to different medical psychological theories giving an overview of the role of gender in mental health the second part of the book examines clinical aspects of women and mental health in part three special clinical topics such as ptsd self harm menopause violence and its management are investigated part four of the text focuses on parental psychiatric disorders clarifying how mental health and behavioural problems in children can be a marker or consequence of maternal distress the final two parts look at the topics of women and disability and legislation and policy a book of exceptional scope and depth it will be essential for all those health professionals involved in managing mental health problems in women

aim of this edited volume is to explore the current status of social justice in women this volume has thoroughly presented the matter and it is hoped that it will give a good vision to the researchers and social science professionals working in this area

based upon an extensive empirical study of a democratic therapeutic community for women serving long and medium sentences this book explores the opportunities it provided for restorative rehabilitation in so doing it identifies some of the interconnected ways in which these ambitions are undermined by pervasive yet often tacit assumptions that underly penal policies and practices drawing on a wealth of data gathered from a study spanning a period of eighteen years at the only democratic therapeutic community for women prisoners in the uk the book highlights how feminist criminology has revealed an invidious history of women s treatment in prison demonstrating how reformist and rehabilitative interventions have reproduced and exacerbated existing states of inequality and oppression consequently the question explored in this book is whether a proportionate sentence that imposes a loss of liberty is inevitably destined to this fate or whether it can be constructed in ways that are progressive and transformative by identifying and understanding some of the interconnected ways in which progressive efforts have typically been undermined it opens a debate about the insinuation of certain often unspoken assumptions that underly penal policies and practices and the need for their deconstruction it opens an axiomatic debate about how women imprisoned for serious offences might have that loss of liberty interpreted to facilitate a restorative reparative and reintegrative process of rehabilitation informed by principles of social justice this book will be of great interest to students and scholars of criminology feminist studies public policy and human rights it will also be of value to policymakers and practitioners in women s prisons and psychologists and psychiatrists interested in therapeutic communities

women s entrepreneurship is an effective way to combat poverty hunger and disease to stimulate sustainable business practices and to promote gender equality yet deeply engrained cultural norms often prescribe gender specific roles and behaviors that severely constrain the opportunities for women s entrepreneurial activities this excellent new

volume of work from the diana group explores this paradox

in a book written by women for women street smart safety for women offers tips on defensive living that will increase readers reliance on the one thing that can protect them most their safety intuition violence against women is a global health issue the threats women face today are unparalleled and more dangerous than ever before and for the first time in history the toxic cocktail of technology and social media has weaponized misogyny and virtualized violence against women there s an even more serious challenge that faces women today social conditioning the way our systems of family life education employment entertainment and pop culture spirituality and religion influence us leaves many of us ill equipped to deal not only with this escalating surge of attacks but also the unrelenting prevalence of sexual assault domestic violence and scams women have been culturally trained to discount one of their greatest protections safety intuition as women it is so ingrained in us to attend to everyone else including strangers on the street before we listen to ourselves that we have lost touch with our innate ability to often detect dangerous situations as the result we are left generally defenseless to recognize predators who manipulate our natural compassion to our own detriment this inability to listen to ourselves and be persuasion proof directly affects our personal safety and data shows that attacks on women continue to escalate daily across the world inside and outside of the home though everyone is talking about how women continue to be less safe few offer solutions women are terrified and they are looking for answers in street smart safety for women retired deputy sheriff joy farrow and technologist laura frombach herself a survivor of a violent household draw on their experiences both personal and professional to provide those answers dedicated to educating women in personal safety and showing them a defensive living strategy and trusting in themselves can reduce their probability of becoming a victim of a crime chapter 1 design for defensive living chapter 2 technology terror chapter 3 can you recognize a predator chapter 4 persuasion manipulation or more chapter 5 dating diligence chapter 6 what do victims of domestic abuse have in common with korean war pows chapter 7 financial security is key to your safety chapter 8 tips from a female cop chapter 9 shams scams and cons chapter 10 women and weapons chapter 11 from victim to victor

written in love and fire african feminist praxis is meticulous and visionary dr pumla dineo gqola sarchi chair in african feminist imagination nelson mandela university and author of female fear factory so much of the story of african resistance has been told in the masculine tracing the history of spectacle great struggles great speeches the grand displays of nation building this book adds to the literature that reverses this exploring the flesh and breadth of contemporary african feminist politics as articulated across the african continent it is structured around the key principles of kinship courage pleasure care and memory and draws on the african feminist academic canon the grey literature of practitioner knowledge and narratives of feminists activists themselves through this it evidences the argument that african feminist praxis is fundamentally a politics of proposition a mode of liberatory worldmaking the social science for social justice series challenges the ivory tower of academia providing a platform for academics journalists and activists of color to respond to pressing social issues

gender equality in terms of economic and financial opportunities is becoming increasingly relevant at both national and international level the need to address the financial literacy of women and girls as a way to improve their financial empowerment opportunities and well being has been acknowledged by the g20 leaders declaration in june 2012 as well as part of a wider horizontal oecd project on gender equality the oecd international network on financial education infe established a dedicated workstream in 2010 to address the needs of women for financial education under the support of the russia world bank oecd trust fund for financial literacy and education this book collects the work carried out within this workstream including policy guidance to help policy makers address women s and girls needs for financial education and a comprehensive analysis of the current status of knowledge on gender differences in financial literacy

this handbook aims to assist legislators policymakers prison managers staff and non governmental organizations in implementing international standards and norms related to the gender specific needs of women prisoners in particular the united nations rules for the treatment of women offenders and non custodial measures for women offenders the bangkok

rules it further aims to increase awareness about the profile of female offenders and to suggest ways in which to reduce their unnecessary imprisonment including by rationalizing legislation and criminal justice policies and by providing a wide range of alternatives to prison at all stages of the criminal justice process the handbook forms part of a series of tools developed by the united nations office on drugs and crime unodec to support countries in implementing the rule of law and the development of criminal justice reform

an anthology of poetry personal narratives research reports and theoretical analyses that depict ongoing relevance of gender to people s experiences

in this powerful book sharlene nagy hesse biber goes beyond traditional psychological explanations of eating disorders to level a powerful indictment against the social political and economic pressures women face in a weight obsessed society ethnicity gay and lesbian body image and the globalization of body image issues align a refined cultural study of body image with the trends found in current research studies demographic data and popular culture

this interdisciplinary multicultural text reader provides an introduction to women s studies by examining u s women s lives in a global context and across categories of race ethnicity class sexuality disability and age substantial chapter introductions provide updated statistical information and explanations of key concepts and ideas as a context for the readings each chapter includes questions to frame your reading and suggestions for taking action to help students link their knowledge and understanding to their own lives and apply it to the world around them

women have achieved or exceeded parity with men in most academic fields but continue to be outnumbered in the physical sciences engineering and math for many equity activists this imbalance constitutes a serious problem even a crisis necessitating federal oversight to prevent gender bias in higher education and scientific industries congress the obama administration and many science and education leaders are considering dramatic measures to improve women s prospects in the sciences but what if claims of gender bias have

been exaggerated in 2007 the national academy of sciences nas released beyond bias and barriers fulfilling the promise of women in academic science and engineering an influential study suggesting that women face a hostile environment in the laboratory the nas report dismissed the possibility that gender disparities in scientific fields might be attributable to biological differences and called for immediate remedial action in education government and business this volume examines the research behind the nas s claims and presents a more balanced analysis of the gender gap scientific research on the relationship between gender and vocation is complex vibrant and full of reasonable disagreements some scholars agree that discrimination is the best explanation for the current configuration of men and women in science but others perhaps a majority suggest that biology and considered preference explain why men and women follow different career paths the science on women and science is a lively readable and balanced collection of articles by distinguished scholars from sides of an often contentious debate

this study examines the status of women s representation at several levels of governance including the legislative the executive the judiciary the public service and local councils throughout the arab region publisher s website
