how my mother became my guardian angel is a bookbased on my life after losing my beautiful mother i was 18 years old with an 8 month old baby not knowing where i was going to go my life then became a huge struggle i became homeless physically and mentally abused i started screaming and crying for my mother which took me into a dark grieving depression the only person that took me out of that stage is the person i walk with everyday his name is jesus christ a friend of mine who came and saved me in my darkest days how my mother became my guardian angel is only the beginning of my brightest and beautiful days my mother was such a strong beautiful black woman whom god made with his delicate hands after we all had lost our mother my family came to an ugly end during my struggles and all my pain i reached up and grabbed a hold of god s hand but one thing our heavenly father did for me is brought my mother in my dreams over and over again the sun was so

pretty and bright the way she came into my life but when i opened my eyes and saw the daylight it was time to put up my biggest fights she helped me get through so many struggles and away from people that weren t right in my life at first when i started dreaming of her i woke up saying something isn t right until the day came when i noticed my dreams were only here to strengthen me throughout my life my mother always told us that she wasn t going to be here forever but before she leaves this place she wished we would all get it together i was so young growing up listening to her repeat those words over and over but one thing i did not know is how her death was the beginning of my deepest darkest struggles so as you read my story do yourself a favor and go put on your favorite robe because once your done reading my story your worries should become very old i m dedicating this book to my mother because she could ve gone upstairs to heaven and said my job on earth is finally done however as a result of my struggles and screaming her name in pain she came back in my life to help guide me until my strength i finally regained i remember one dream i had with her she was walking on grass sounding like glass click click click she was waving her hand and smiling at me telling me to tell everyone i couldn t figure out that dream to save my life however after writing this book now i can say consider it a job well done

covers receipts and expenditures of appropriations and other funds

three questions 1 you ever listen to a nobody that had just enough you say that made them become somebody to continue to listen to 2 you ever heard of a woman going through the same drama as a man about her children that she paid child support for 3 did you know a woman has never written a story about that experience til now join a realistic journey with a young urban atlanta girl named paris understand this is a read from inside of young lady s mind so don t expect proper grammar learn how it s not just women that do malicious things to stop the success of their children s father but men do the same to their children s mother this story shares a mother s emotions from the most organic place in her heart sharing her love pain hurt and disappointment showing imperfection in a perfect understanding as a human not just a woman or mother one willing to do whatever necessary to correct the mistakes that were made having children so young the story illustrates multiple examples of how past hurt can affect the future and how one should never underestimate how far your enemies will go to see you lose drama level compared to the screenplay precious unknown
