this book explores how the next generation of teen and young adult heroines in popular culture are creating a new feminist ideal for the 21st century representations of a teenage girl who is unique or special occur again and again in coming of age stories it s an irresistible concept the heroine who seems just like every other but under the surface she has the potential to change the world this book examines the cultural significance of teen and young adult female characters the new heroines in popular culture the book addresses a wide range of examples primarily from the past two decades with several chapters focusing on a specific heroic figure in popular culture in addition the author offers a comparative analysis between the new woman figure from the late 19th and early 20th century and the new heroine in the 21st century readers will understand how representations of teenage girls in fiction and nonfiction are positioned as heroic because of their ability to find out about themselves by connecting with other people their environment and technology

a revelatory examination of the nobel peace prize the most prestigious admired and controversial honor of our time the nobel prize regardless of category has always been surrounded by politics intrigue even scandal but those pale in comparison to the peace prize in betraying the nobel norwegian writer unni turrettini completely upends what we thought we knew about the peace prize both its history and how it is awarded as 1984 s winner desmond tutu put it no sooner had i got the nobel peace prize than i became an instant oracle however the peace prize as

we know it is corrupt at its core in the years surrounding world war i and ii the nobel peace prize became a beacon of hope and through its peace champions became a reference and an inspiration around the world but along the way something went wrong alfred nobel made the mistake of leaving it to the norwegian parliament to elect the members of the peace prize committee which has filled the committee with politicians more loyal to their political party's agenda than to nobel's prize's prerogative as a result winners are often a result of political expediency betraying the nobel will delve into the surprising and often corrupt history of the prize and examine what the committee hoped to obtain by its choices including the now infamously awarded cordell hull as well as henry kissinger al gore and barack obama turrettini shows the effects of increased media attention which have turned the nobel into a popularity prize and a controversial and provocative commendation the selection of winners who are not peace champions according to the mandates of alfred nobel's will creates distrust so does lack of transparency in the selection process as trust in leadership and governance reaches historic lows the nobel peace prize should be a lodestar yet the modern betrayal of the nobel's spirit and intentions plays a key role in keeping societal dysfunctions alive but there is hope betraying the nobel will show how the nobel peace prize can again become a beacon for leadership a catalyst for change and an inspiration for rest of us to strive for greatness and become the peace champions our world needs

the essential guide for ethical decision making in the 21st century the power of ethics depicts ethical decision making not in a nebulous philosophical space but at the point where the rubber meets the road michael schur producer and creator of the good place it's not your imagination we're living in a time of moral decline publicly we're bombarded with reports of government leaders acting against the welfare of their constituents companies prioritizing profits over health safety and our best interests and technology posing risks to society with few or no repercussions for those responsible personally we may be conflicted about how much privacy to afford our children on the internet how to make informed choices about our purchases and the companies we buy from or how to handle misconduct we witness at home and at work how do we find a way forward today's ethical challenges are increasingly gray often without a clear right or wrong solution causing us to teeter on the edge of effective decision making with concentrated power structures rapid advances in technology and insufficient regulation to protect citizens and consumers ethics are harder to understand than ever but in the power of ethics susan liautaud shows how ethics can be used to create a sea change of positive decisions that can ripple outward to our families communities workplaces and the wider world offering unprecedented opportunity for good drawing on two decades as an ethics advisor guiding corporations and leaders academic institutions nonprofit organizations and students in her stanford university ethics courses susan liautaud provides clarity to blurry ethical questions walking you through a straightforward four step process for ethical decision making you can use every day liautaud also explains the six forces driving virtually every ethical choice we face exploring some of today's most challenging ethics dilemmas and showing you how to develop a clear point of view speak out with authority make effective decisions and contribute to a more ethical world for yourself and others the power of ethics is the must have ethics guide for the 21st century

a 1 new york times bestselling author brings his common sense self help lessons to teens with this guide to turning losses into wins any setback a championship loss a bad grade a botched audition can be seen as a step forward when teens possess the right tools to turn that loss into a gain of knowledge drawing on nearly fifty years of leadership experience dr maxwell provides a roadmap for becoming a true learner someone who wins in the face of problems failures and losses the teachings from sometimes you win sometimes you learn have been edited and adapted just for teens this young readers edition features all new stories of real life figures that overcame adversity early in their lives including entrepreneur steve jobs olympic gold medalists gabby

douglas and mikaela shiffrin and nobel peace prize nominee malala yousafzai

nearly every day there's another news story or pop cultural anecdote related to feminism and women's rights. Yes, all women conversations around consent, equal pay, access to contraception and a host of other issues are foremost topics of conversation in American and worldwide media. Right now, today's teens are encountering these issues from a different perspective than any generation has had before. But what's often missing from the current discussion is an understanding of how we've gotten to this place. *Fight Like a Girl* will familiarize readers with the history of feminist activism in an effort to celebrate those who paved the way and draw attention to those who are working hard to further the cause of women's rights. Profiles of both famous and lesser-known feminists will be featured alongside descriptions of how their actions affected the overall feminist cause and unique portraits, artist's renderings of the feminists themselves. This artistic addition will take the book beyond simply an informational text and make it a treasure of a book.

The remarkable Malala Yousafzai is one of the most widely admired young women living. This biography traces her story from her youth in Pakistan's Swat Valley through her current work advocating for the rights and education of young women with the Malala Fund. Readers will learn about her struggle to get an education while living under the control of the Taliban and admire her courage in speaking out even after an assassination attempt. While there are many worthy role models, Yousafzai's age and the fact that her heroism is both recent and ongoing make her especially relatable for young readers.

A 21st-century ethical toolbox invites students to think beyond the rigid pro and con positions of tough ethical problems by developing creative problem-solving skills, moral vision, and genuine dialogue. Provocative selections from a wide range of philosophers, essayists, community activists, and students are interwoven with Weston's own discussions to equip students with the tools they need to think critically about contentious issues.

Written in collaboration with critically acclaimed National Book Award finalist Patricia McCormick, Malala tells her story from her childhood in the Swat Valley to the shooting, her recovery, and new life in England. She's a girl who loves cricket, gossips with her best friends, and on the day of the shooting, nearly overslept and missed an exam. A girl who saw women suddenly banned from public schools, blown up, the Taliban seize control, and her homeland descend into a state of fear and repression. This is the story of her life and also of her passionate belief in every child's right to education, her determination to make that a reality throughout the world, and her hope to inspire others.

Women as Global Leaders is the second volume in the new Women and Leadership Research Theory and Practice book series published for the International Leadership Association by IAP. Global leadership is an emerging area of research with only a small but growing published literature base. More specifically, the topic of women's advances and adventures in leading within the global context is barely covered in the existing leadership literature. Although few women are serving in global leadership roles in corporate and non-profit arenas and as heads of nations, that number is growing. E.g., Indira Nooyi at Pepsico, Sheryl Sandberg at Facebook, Marissa Mayer at Yahoo, Ellen Johnson Sirleaf as president of Liberia, Angela Merkel as Chancellor of Germany. The purpose of

this volume is to provide the reader with current conceptualizations and theory related to women as global leaders recent empirical investigations of the phenomenon analysis of effective global leadership development programs and portraits of women who lead or have led in a global role the volume is divided into four sections the first section covers the state of women as global leaders containing chapters by joyce osland and nancy adler pioneers in the field of global and or women s leadership the second section describes approaches to women s global leadership the third section offers an analysis of programs that are useful in developing women as global leaders with the final section profiling women as global leaders including margaret thatcher nobel laureate malala yousafzai and golda meir as barbara kellerman noted in the foreword this book should be understood as a collection whose time has come precisely because women now have opportunities to lead that are far more expansive than they were even in the recent past though their numbers remain low they are able in some cases to exercise leadership not only as outsiders but also as insiders from the very positions of power and authority to which men forever have had access

malala yousafzai s activism has placed her in grave danger from the taliban but she remains determined to defend girls right to an education around the world follow yousafzai from young blogger to nobel peace prize recipient

brave together is a powerful book that can transform the lives of leaders creators or anyone looking to shape the future it comes from the thought leaders who helped apple shift the culture from thinking different to working different together groundbreaking get ready to be inspired and join the co creation movement marshall goldsmith thinkers50 1 executive coach and new york times bestselling author of the earned life brave together is an exhilarating exploration of genuine collaboration where every voice matters and every idea is a potential catalyst for transformation daniel h pink 1 new york times bestselling author of drive to sell is human and the power of regret how did apple overcome a culture of secrecy how did pixar out innovate disney why do companies kill creativity does shark tank teach us something about the way we pursue success that isn t true we ve been told that working harder and smarter is the only way to succeed in business and life but it s not true hustle culture is causing burnout and pain in our lives making us feel divided what if instead we focused on working creatively with others and asked how can we shape cultures people love there is hope in co creation brave together is a deep exploration into how we can live and lead as co creators filled with unexpected stories powerful principles and a future oriented framework the authors have pressure tested this work with startups and fortune 500s including apple coaching leaders how to reimagine their approach to culture converting creative ideas into billion dollar solutions with the help of these patterns the mirror test take ownership of your reality and your creative identity the hero s sacrifice break free of ego to connect with others in inspiring ways become the future create a synthesis manifesting the best in mind heart and spirit chris deaver and ian clawson have written a handbook that challenges the status quo approach to leadership work and culture it offers the path to a bright future that isn t self made but shared
