singapore s leading tech magazine gives its readers the power to decide with its informative articles and in depth reviews

japanese manufacturing investment in the european community has grown dramatically over the last twenty years at first
instances of investment were few concentrated in a small number of industrial sectors but since the mid 1980 s there has
been a surge of investment in a much wider range of industries this volume details the growth of japanese manufacturing
investment in europe in fourteen industrial sectors the impact of japanese competition and direct investment on european
industries is considered in the context of the emergence of the three major trading blocs the united states japan and the ec

roger strange concludes by making important policy recommendations and arguing for the need for a new theoretical framework for assessing the political economy of foreign direct investment

japan although now listed as the world s third largest economy after that of the united states and china has been too readily dismissed in the late 20th century as a spent force this is as unfortunate as it is incorrect for a number of reasons first while the peoples republic of china is indeed growing and its markets are expanding an enormous amount of the impetus for development as well as logistical support is coming from large numbers of japanese corporations operating in the prc major japanese enterprises such as toyota sony and honda are already in china or are in the process of establishing a presence there the export of japanese technology remains an important contribution to china s development the benchmark of product quality within asia and in some areas beyond has been set by japanese industrial standards this second edition of historical dictionary of japanese business contains a chronology an introduction appendixes and an extensive bibliography the dictionary section has over 800 cross referenced entries on important personalities japanese businesses politics and economy this book is an excellent access point for students researchers and anyone wanting to know more about japanese business
