annotation during the last few years the world s luxury cosmetic and perfume market has reinvented itself for a public that is more and more demanding and elitist and expects more from exclusive products as a result of this change the large markets direct their sales strategies and publicity to high end articles containing premium ingredients contributing to a psychological image of sophistication and exclusivity it is not enough now to offer the best cream the most glamorous makeup or the most sensual perfume

professional translators are increasingly dependent on electronic resources and trainee translators need to develop skills

that allow them to make the best use of these resources the aim of this book is to show how cult corpus use for learning to translate methodologies can be used to prepare learning materials and how novice translators can become autonomous users of corpora readers interested in translation studies translator training and corpus linguistics will find the book particularly useful not only does it include practical technical advice for using and learning to use corpora but it also addresses important issues such as the balance between training and education and how cult methodologies reinforce student autonomy and responsibility not only is this a good introduction to cult but it also incorporates the latest developments in this field showing the advantages of using these methodologies in competence based learning
