escaped slave civil war spy scout and nurse and champion of women s suffrage harriet tubman is an icon of heroism perhaps most famous for leading enslaved people to freedom through the underground railroad tubman was dubbed moses by followers but abolition and the close of the civil war were far from the end of her remarkable career tubman continued to fight for black civil rights and campaign fiercely for women s suffrage throughout her life in this vivid concise narrative supplemented by primary documents kristen t oertel introduces readers to tubman s extraordinary life from the trauma of her childhood slavery to her civil rights activism in the late nineteenth century and in the process reveals a nation s struggle over its most central injustices

currently there are at least four major identifiable perspectives on how people best understand and recover from religious abuse both secular and faith based christian adherents can be variously identified in each of these approaches this book examines these viewpoints and evaluates their various strengths and limitations it concludes that each perspective is helpful to the extent possible given the limitations of its respective philosophic or theological assumptions this book summarizes each viewpoint and suggests a larger contextual perspective helpful to better understand involvement in and recovery from religiously abusive environments the conclusion is an integration of the various conceptual frameworks and a different model secure is described that includes essential principles and practical strategies necessary for recovery from religious abuse suggestions are made for future research and study both for academics with interest in the cultic studies and counseling fields and for various people negatively affected by religious abuse and in need of recovery
