violence and the sacred is rené girard s landmark study of human evil here girard explores violence as it is represented and occurs throughout history literature and myth girard s forceful and thought provoking analyses of biblical narrative greek tragedy and the lynchings and pogroms propagated by contemporary states illustrate his central argument that violence belongs to everyone and is at the heart of the sacred

in the past twenty years quebec women writers including aline chamberland claire dé suzanne jacob and hélène rioux have created female characters who are fascinated with bold sexual actions and language cruelty and violence at times culminating in infanticide and serial killing paula ruth gilbert argues that these quebec feminist writers are re framing gender violence and the female imagination explores whether these imagined women are striking out at an external other or harming themselves through acts of self destruction and depression gilbert examines the degree to which women are imitating men in the outward direction of their anger and hostility and suggests that such tough women may be mocking men in their macho exploits of sexuality and violence she illustrates the ways in which quebec female authors are feminizing violence or re envisioning gender in north american culture gilbert bridges methodological gaps and integrates history sociology literary theory feminist theory and other disciplinary approaches to provide a framework for the discussion of important ethical and aesthetic questions

in this book martyn smith addresses the issue of god s violence and refuses to shy away from difficult and controversial conclusions through his wide ranging and measured study he reflects upon god and violence in both biblical and theological contexts assessing the implications of divine violence for understanding and engaging with god s nature and character jesus too through his dramatic actions in the temple is presented as one capable of exhibiting a surprising degree of violent behavior in the furtherance of god s purposes through a reappropriation of the ancient christus victor model of atonement with its dramatic representation of god s war with the satan smith proposes that christian understanding of both god and salvation has to return to its long neglected past in order to move forward both biblically and dynamically into the future
