a guide to building personal effectiveness for business success it can be used as a self development workbook as a training course handout as supplementary reading to a training course or as open learning material

this book is a perfect companion for anybody embarking on a leadership development journey especially if your aim is to develop high performance in yourself and your people whether you're engaging in a program through your company or a business school and especially if you're educating yourself as an entrepreneur and no matter what level you're at it will give you a solid foundation and reference point for your learning it contains all the best coaching content and tools that the author has uncovered and/or developed for his clients during fifteen years of practise in both a personal and executive context it's organised sequentially to match the typical development of awareness through a coaching program it's jam packed with clearly marked scientific references key concepts real life examples and exercises to do while reading the themes covered are getting motivated know yourself personality working with values your power to create creating agreement accountability story reality skilful conversations working with emotions the red zone motivational states decision commitment the habit of

completion developing an authentic leadership brand

in personal effectiveness in project management project manager and professor zachary a wong phd provides readers with the tools and techniques that not only help them improve their own personal performance but that of their project teams as well personal effectiveness begins within dr wong s decades of personal effectiveness experience taught him that learning soft skills requires the same rigor as hard skills in fact one of the book s most valuable achievements is putting soft skills into a hard framework that readers can use for themselves and their team members the book is divided into four modules each addressing a different aspect of personal effectiveness decision making motivation achievement and sustainability the book s unique approach takes the reader through the modules seeking to clarify and optimize the reader s performance in each area

with many personal examples this book covers expressing your needs making friends resolving conflicts and achieving personal goals

in every meeting or interaction in business whether it is one to one or one to many whether it is a water cooler moment or a sales call it is essential to realise not only how your opposite number understands what you are saying but also how to change the way you present your case so that they can understand you better to become more effective in business you have to increase your personal effectiveness in communication this bite sized business book developing personal effectiveness for business is an ideal introduction and guide to becoming more personally effective the book provides easy to read yet authoritative insights into improving your personal effectiveness by helping you appreciate more clearly how other people think and perceive the world how they listen and how they take on board the information you present them with it also shows you how to assess your own ability to understand other people and influence them it distils twenty years of experience in sales marketing general management and on boards so that you can be sure of making the right impact it is a step by step guide that concentrates on the results you want whether that is increased influence or greater respect and everything in between this quotation from the book illustrates the difference this book can make by looking at apparently obvious but often ignored parts of interactions essentially this book is about communication as probably most books are in this case though the focus is definitely not on what is said or broadcast but on what is heard or received we all know how significant the difference is between speaking and hearing but it is so easy to forget that what we say is not going to be understood in the way we meant it and sometimes not understood at all

what are the business goals personal effectiveness is aiming to achieve are there personal effectiveness problems defined what are the personal effectiveness investment costs who sets the personal effectiveness standards how do you cross sell and up sell your personal effectiveness success this astounding personal effectiveness self assessment will make you the credible personal effectiveness domain expert by revealing just what you need to know to be fluent and ready for

any personal effectiveness challenge how do i reduce the effort in the personal effectiveness work to be done to get problems solved how can i ensure that plans of action include every personal effectiveness task and that every personal effectiveness outcome is in place how will i save time investigating strategic and tactical options and ensuring personal effectiveness costs are low how can i deliver tailored personal effectiveness advice instantly with structured going forward plans there s no better guide through these mind expanding questions than acclaimed best selling author gerard blokdyk blokdyk ensures all personal effectiveness essentials are covered from every angle the personal effectiveness self assessment shows succinctly and clearly that what needs to be clarified to organize the required activities and processes so that personal effectiveness outcomes are achieved contains extensive criteria grounded in past and current successful projects and activities by experienced personal effectiveness practitioners their mastery combined with the easy elegance of the self assessment provides its superior value to you in knowing how to ensure the outcome of any efforts in personal effectiveness are maximized with professional results your purchase includes access details to the personal effectiveness self assessment dashboard download which gives you your dynamically prioritized projects ready tool and shows you exactly what to do next your exclusive instant access details can be found in your book you will receive the following contents with new and updated specific criteria the latest quick edition of the book in pdf the latest complete edition of the book in pdf which criteria correspond to the criteria in the self assessment excel dashboard example pre filled self assessment excel dashboard to get familiar with results generation in depth and specific personal effectiveness checklists project management checklists and templates to assist with implementation includes lifetime self assessment updates every self assessment comes with lifetime updates and lifetime free updated books lifetime updates is an industry first feature which allows you to receive verified self assessment updates ensuring you always have the most accurate information at your fingertips

this book is a perfect companion for anybody embarking on a personal development journey especially if your aim is to develop high performance in your life and to make sure you realise your full potential as a human being it contains all the best coaching content and tools that the author has uncovered and or developed for his clients during fifteen years of practice it s organised sequentially to match the typical development of awareness through a coaching program whatever process you find yourself in this book will provide a strong foundation and reference point for your learning it s jam packed with clearly marked scientific references key concepts real life examples and exercises to do while reading the themes covered are getting motivated know yourself personality working with values your power to create decision commitment story reality taking responsibility working with emotions the red zone the state of flow the habit of completion legacy lifestyle
