the hebrew christian religion remains the most potent verifiably truthful religion on the planet it suffers horrendously from murderous oppression in the middle east its homeland and was crushed flat by the largest political state the world has ever known soviet russia and it endures heavy disheartenment by flawed innuendo and secularisation throughout europe despite these massive attacks from mistaken religion hard line atheists and dont know cant be bothered groups yet it remains and more than this it remains philosophically socially prophetically and scientifically the largest most credible and consistent belief system on the planet its not by accident that non violent christianity believing in the non violent ten commandments and the beautiful spirit of them in the beatitudes can survive such intense mentalphysical violent persecution and still remain so vibrant true christians know the only reason it is so is because the holy messiah god of israel is the only true god he rules over all the kingdoms of men but its only the

kingdom of christianity which knows this he loves all humans but not their thoughtsactions however only christians recognise this and sincerely give thanks that he is their god their prophet priest and king he prophesied that enormous ungodliness would come against his church and followers but these gates of hell would not overcome it and so it is now as we head towards armageddon and the end of the human age this book explains his prophecies and associated key milestone calculations this is one of many ways witnessing that he is the genuine unique article just as the hebrew christian bible says the purpose of our existence is to have a loving relationship with him when humans choose to reject him it causes us to create corrupt and false gods without realising it many religious people worship corrupt gods and atheism worships its false no god god these cannot bring a person into the paradise of fruitful everlasting life their ways effectively bring people into a fruitless everlasting living death this grieves the messiah god of israel because he loves fruitful life to encourage us and to verify who he is he leaves indicators throughout history evidencing even now in these days of the deeply sceptical cheating spirit that humans are without excuse come the judgement lawrence d shawbrooks is now retired but continues to work as an elder in the church oversight

when jesus departed to be with his eternal father he gave the church the ecclesia a clear mission statement in matthew 28 which speaks of the great commission and what is the great commission therefore the mission go and make disciples so that the world may be told of jesus and therefore be saved some will say some translations never speak of making disciples but rather to teach all nations baptizing them in the name of the father and of the son and of the holy ghost but is the purpose of teaching the nations of christ not to make disciples if one teaches someone about jesus you are surely equipping them to be a follower of jesus and such a follower is a disciple we are called in god s wisdom and by his spirit to teach all people about jesus for the purpose of making disciples it doesn t happen automatically it will take a concerted and decisive effort of the bride of god time is however slipping away to get our house in order with god and now is the time to do so we are living in the last days and the day of the lord s coming is at hand billions of people are still lost in every city town and village across the world there is no more time to be playing church or to be consumed with our agendas we need to come into alignment with god seek him and be awake from our slumber the church has been slumbering for a long time lulled into sleep by a false sense of security peace and a sense of accomplishment yet there is a mission to complete which is the great

commission it is god s mission of bringing in the harvest of the lost and broken now is the time to get busy with god s business and his business is about salvation redemption and restoration the call to the church to actively engage in this mission therefore to make the main thing the main thing is covered in volumes one and two
