there can be little doubt that opera and emotion are inextricably linked from dramatic plots  
driven by energetic producers and directors to the conflicts and triumphs experienced by all  
associated with opera s staging to the reactions and critiques of audience members emotion  
is omnipresent in opera yet few contemplate the impact that the customary cultural practices  
of specific times and places have upon opera s ability to move emotions taking australia as a  
case study this two volume collection of extended essays demonstrates that emotional  
experiences discourses displays and expressions do not share universal significance but are at  
least partly produced defined and regulated by culture spanning approximately 170 years of  
opera production in australia the authors show how the emotions associated with the specific

cultural context of a nation steeped in egalitarian aspirations and marked by increasing levels of multiculturalism have adjusted to changing cultural and social contexts across time volume i adopts an historical predominantly nineteenth century perspective while volume ii applies historical musicological and ethnological approaches to discuss subsequent Australian operas and opera productions through to the twenty first century with final chapters pulling threads from the two volumes together opera emotion and the antipodes establishes a model for constructing emotion history from multiple disciplinary perspectives
