This set includes the 5 love languages, the 5 love languages men's edition, the 5 love languages of teenagers, and the 5 love languages of children. In the 5 love languages, 1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language: quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. In the 5 love languages men's edition, Dr. Chapman guides husbands in identifying, understanding, and speaking their wife's love language. Husbands are commanded to love their wives, but do you know what really makes your wife feel loved? Are you tired of missed cues and confusing signals? Everyone has a primary love language: quality time, words of affirmation, gifts, acts of service, or physical touch. Each chapter concludes with ten simple and practical ideas for expressing that love language to your wife. You'll both enjoy taking the new love languages assessment. Building a lasting, loving marriage includes a promotional code to gain exclusive online access to the new comprehensive love languages assessment. In the 5 love languages of children, the author examines the different languages your children speak. Sometimes they waver for your attention, and other times they ignore you completely. Sometimes they are filled with gratitude and affection, and other times they seem totally indifferent. Attitude, behavior, development—everything depends on the love relationship between you and your child. When children feel loved, they do their best. But how can you make sure your child feels loved? Since 1992, Dr. Gary Chapman's best-selling book, *The Five Love Languages*, has helped more than 300,000 couples develop stronger, more fulfilling relationships by teaching them to speak each other's love language. Each child too expresses and receives love through one of five different communication styles, and your love language may be totally different from that of your child. While you are doing all you can to show your child love, he may be hearing it as something completely opposite. Discover your child's primary language and learn what you can do to effectively convey unconditional feelings of respect, affection, and commitment that will resonate in your child's emotions and behavior. In the 5 love languages of teenagers, Dr. Gary Chapman explores the world in which teenagers live, explains the developmental changes, and gives tools to help you identify and appropriately communicate in your teen's love language. Socially, mentally, and spiritually, teenagers face a variety of pressures and stresses each day. Despite these peer pressures, it is still parents who can influence teens the most.
