winner of the international prize for arabic fiction josephine escapes poverty by coming to kuwait from the philippines to work as a maid where she meets rashid an idealistic only son with literary aspirations josephine with all the wide eyed naivety of youth believes she has found true love but when she becomes pregnant and with the rumble of war growing ever louder rashid bows to family and social pressure and sends her back home with her baby son jos□ brought up struggling with his dual identity jos□ clings to the hope of returning to his father s country when he is eighteen he is ill prepared to plunge headfirst into a world where the fear of tyrants and dictators is nothing compared to the fear of what will people say and with a filipino face a kuwaiti passport an arab surname and a christian first name will his father s country welcome him the bamboo stalk takes an unflinching look at the lives of foreign workers in arab countries and confronts the universal problems of identity race and religion

combining empirical and theoretical approaches from a range of disciplines linguistic identities in the arab gulf states examines current issues surrounding language and identity in the arab gulf states organized in four parts the book addresses the overarching theme of waves of change in relation to language and power linguistic identities in the media identities in transition and language in education the authors of each chapter are renowned experts in their field and contribute to furthering our understanding of the dynamic changeable and socially constructed nature of identities

and how identities are often intricately woven into and impacted by local and global developments although the book geographically covers gulf region contexts many of the concepts and dilemmas discussed are relevant to other highly diverse nations globally for example debates surrounding tolerance diversity neoliberal ideologies in english medium instruction emi media representation of language varieties and sociolinguistic inequalities during coronavirus communication are pertinent to regions outside the gulf too this volume will particularly appeal to students and scholars interested in issues around language and identity gender language policy and planning multilingualism translingual practice language in education and language ideologies
