Scheer Diego de Vargas R. Kent Rasmussen Donald E. Chipman Sharon Malinowski Laurence M. Hardy Foster Todd Smith Manuel de Mier y Terán Jim Norris Institute for Scientific Information Henri Joutel S. Charles Bolton William Sturtevant

in 1542 members of the thriving caddo indian culture came face to face with luis de moscoso successor to hernando de soto as leader of a spanish exploration party that encounter marked a turning point for this centuries old people whose history would from then on be dominated by the interaction of the native confederacies with the empires of various european adventurers and settlers much has been written about the confrontations of euro americans with native americans but most of it has focused on the anglo indian relations of the eastern part of the continent or on the final phases of the western wars this thorough and engaging history is the first to focus intensively on the caddos of the texas louisiana border area primarily from the perspective of the caddos

themselves it traces the development and effect of relations over the three hundred years from the first meeting with the spaniards until the resettlement of the tribes on the brazos reserve in 1854 f todd smith chronicles all three of the caddo confederacies kadohadacho hasinai and natchitoches as they consolidated into a single tribe to face the waves of soldiers traders and settlers from the empires of spain france the united states mexico and the republic of texas it describes the balance the caddos struck with the various nations claiming the region and how that gradually evolved into a less beneficial relationship caught in the squeeze between euro american nations the caddos eventually sacrificed their independence and much of their culture to gain the benefits offered by the invaders falling victim to swindlers they at last lost their lands and were moved to a reservation

in this expansive book david narrett shows how the united states emerged as a successor empire to great britain through rivalry with spain in the mississippi valley and gulf coast as he traces currents of peace and war over four critical decades from the close of the seven years war through the louisiana purchase narrett sheds new light on individual colonial adventurers and schemers who shaped history through cross border trade settlement projects involving slave and free labor and military incursions aimed at spanish and indian territories narrett examines the clash of empires and nationalities from diverse perspectives he weighs the challenges facing native americans along with the competition between spanish french british and u s interests in a turbulent era the louisiana and florida borderlands were shaken by tremors from the american revolutionary war and the french revolution by demonstrating pervasive intrigue and subterfuge in borderland rivalries narrett shows that u s manifest destiny was not a linear or inevitable progression he offers a fresh interpretation of how events in the louisiana and florida borderlands altered the north american balance of power and affected the history of the atlantic world

since its founding the united states declared principles of liberty and democracy have often clashed with aggressive policies of imperial expansion in this sweeping narrative history acclaimed scholar walter nugent explores this fundamental american contradiction by recounting the story of american land acquisition since 1782 and shows how this steady addition of territory instilled in the american people a habit of empire building from america s early expansions into transappalachia and the louisiana purchase through later additions of alaska and island protectorates in the caribbean and pacific nugent demonstrates that the history of american empire is a tale of shifting motives as the early desire to annex land for a growing population gave way to securing strategic outposts for america s global economic and military interests thorough enlightening and well sourced this book explains the deep roots of american imperialism as no other has done

historically wars and revolutions have offered politically and socially disadvantaged people the opportunity to contribute to the nation or cause in exchange for future

expanded rights although shorter than most conflicts the texas revolution nonetheless profoundly affected not only the leaders and armies but the survivors especially women who endured those tumultuous events and whose lives were altered by the accompanying political social and economic changes

through the journals of don diego de vargas translated from official and private correspondence we are drawn back through conflict and compromise into new mexico s formative era in this boxed set

provides historical coverage of the united states and canada from prehistory to the present includes information abstracted from over 2 000 journals published worldwide

two volume set with brief entries for all known american indian tribes

winner presidio la bahia award sons of the republic of texas 2000 texas old missions and forts restoration association book award the texas old missions and fort restoration association and the texas catholic historical society 2001 the spanish colonial era in texas 1528 1821 continues to emerge from the shadowy past with every new archaeological and historical discovery in this book years of archival sleuthing by donald e chipman and harriett denise joseph now reveal the real human beings behind the legendary figures who discovered explored and settled spanish texas by combining dramatic real life incidents biographical sketches and historical background the authors bring to life these famous and sometimes infamous men of spanish texas alvar núñez cabeza de vaca alonso de león francisco hidalgo louis juchereau de st denis antonio margil the marqués de aguayo pedro de rivera felipe de rábago josé de escandón athanase de mézières the marqués de rubí antonio gil ibarvo domingo cabello josé bernardo gutiérrez de lara joaquín de arredondo the authors also devote a chapter to the women of spanish texas drawing on scarce historical clues to tell the stories of both well known and previously unknown tejana indian and african women

almost 400 north american tribes are covered with essays that contain information on both the historical and contemporary issues for each tribe

offering detailed descriptions of their battles negotiations trading practices and survival strategies smith traces the wichitas struggles to adapt to rapidly changing circumstances and defend themselves from encroaching tribes and white settlers book jacket

his diary offers perhaps the most perceptive accounting of texas s people politics natural resources and future prospects during the critical decade of the 1820s

a study of how the franciscan order struggled with and accommodated itself to a

reduction in status and power in eighteenth century new mexico

presents an edited and annotated english translation of henri joutel s account of the la salle expedition of 1684 1687 during which he served as post commander for la salle describing the daily experiences of the party and including maps

often thought of as a primitive backwoods peopled by rough hunters and unsavory characters early arkansas was actually productive and dynamic in the same manner as other american territories and states in this the second volume in the histories of arkansas s charles bolton describes the emigration mostly from other southern states that carried americans into arkansas the growth of an agricultural economy based on cotton corn and pork the dominance of evangelical religion and the way in which women coped with the frontier and made their own contributions toward its improvement he closely compares the actual lifestyles of the settlers with the popularly held uncomplimentary image separate chapters deal with slavery and the lives of the slaves and with indian affairs particularly the dispossession of the native quapaws and the later arriving cherokees political chapters explore opportunism in arkansas territory the rise of the democratic party under the control of the sevier johnson group known as the dynasty and the forces that led arkansas to secede from the union in addition arkansas s role in the mexican war and the california gold rush is treated in detail in truth geographic isolation and a rugged terrain did keep arkansas underpopulated and political violence and a disastrous experience in state banking tarnished its reputation but the state still developed rapidly and successfully in this period playing an important role on the southwestern frontier
