the author has collected the most amazing stories of people who secretly saved jewish lives from 1933 to 1945 and arranged them chronologically and geographically to show us that there will always be a few righteous souls who have made a greater difference in favour of human goodness

on april 11 2005 in jerusalem karl plagge will be named a righteous among the nations hero by the state of israel he joins oskar schindler and some 380 other similarly honored germans who protected and saved jews during the holocaust karl plagge's story is of a unique kind of courage that of a german army officer who subverted the system of death to save the lives of some 250 jews in vilna lithuania one of those he saved was michael good's mother haunted by his mother's stories of the mysterious officer who commanded her slave labor camp michael good resolved to find out all he could about the enigmatic major plagge for five years he wrote hundreds of letters and scoured the internet to recover in one hard earned bit of evidence after another information about the man whose moral choices saved hundreds of lives this unforgettable book is the first portrait of a modest man who simply refused to play by the rules interviewing camp survivors opening german files untouched for more than fifty years and translating newly discovered letters good weaves an amazing tale an engineer from darmstadt plagge joined and then left the nazi party in vilna in whose teeming ghetto tens of thousands of jews faced extermination he found himself in charge of a camp where military vehicles were repaired time after time he saved jews from prison ss death squads and the ghetto by issuing them work permits as indispensable laborers essential to the war effort karl plagge never considered himself a hero describing himself as a fellow traveler for not doing more to fight the regime he said that he saved jews and others because i thought it was my duty this book also reminds us of the many ways human beings can resist evil there are always some people pearl good said of the man who saved her life when he didn't have to who decide that the horror is not to be

the righteous among nations that is what israel calls people who risked their own lives to save jews from the holocaust during world war ii since the early 1950s more than 20 000 of them have been honored at yad vashem israel's major holocaust memorial but most of their stories remain unknown to the general public more than twenty five years ago peter hellman set out to change this his book avenue of the righteous was one of the first to celebrate the remarkable courage of the righteous in this revised and updated third edition when courage was stronger than fear he expands on the gripping stories told previously and adds an entirely new one

a survivor named trauma examines the nature of trauma and memory as they relate to the holocaust in lithuania how do we behave under threat how do we remember extreme danger how do subsequent generations deal with their histories whether as descendants of perpetrators or victims of those who rescued others or were witnesses to genocide or those who were separated from their families in early childhood and do not know their origins myra sklarew's study draws on interviews with survivors witnesses rescuers and collaborators as well as descendants and family members gathered over a twenty five year period in lithuania returning to the land of her ancestors sklarew found a country still deeply affected by the nazi holocaust and decades of soviet domination interdisciplinary in nature this book will appeal to readers interested in neuroscience and neuropsychology holocaust studies jewish history and personal memoir

the graphic history of the nazi attempt to destroy the jews of europe during the second world war is illustrated in this series of 333 detailed maps the maps and the text and photographs that accompany them powerfully depict the fate of the jews between 1933 and 1945 while also setting the chronological story in the wider context of the war itself the maps include historical background from the effects of anti jewish violence between 1880 and 1933 to the geography of the existing jewish communities before the advent of the nazis the beginning of the violence from the destruction of the synagogues in november 1938 to jewish

migrations and deportations the ghettos and the establishment of the concentration camps and death camps throughout german dominated europe the spread of nazi rule the fate of the jews throughout europe including germany austria poland greece yugoslavia bulgaria russia denmark norway france holland belgium italy and the baltic states jewish revolts and resistance acts of armed resistance fighting in the forests individual acts of courage jews in hiding escape routes christians who helped jews the death marches the advance of the allies and the liberation of the camps the survivors and the final death toll this revised edition includes a new section which gives an insight into the layout and organization of some of the most significant places of the holocaust including auschwitz treblinka and the warsaw ghetto maps that will be especially useful to those visiting the sites

a half century ago leaders in germany a christian nation decided to kill every jewish child woman and man they could lay their hands on now david gushee explores the actions and inactions of millions of europeans whose jewish neighbors were being led to the slaughter what motivated this extremely small minority at the risk of their own lives to rescue jews in need

twenty years ago hellman wrote one of the first accounts of the men and women who succeeded in saving jews from the nazis this edition includes five stories which marks the return of a significant contribution to the literature of the holocaust
