as eleanor stark stood among the group of girls being auctioned off as slaves her heart pounded with a mix of fear anger and determination she had lost everything that mattered to her her family her pack and her once peaceful life now she was faced with a future of servitude under the very alpha she despised zane mackane zane known for his brutality and ambition had built his pack through conquest and domination the acquisition of girls from other packs was one of his methods of accumulating wealth but little did he know that among these girls stood the one destined to be his mate chosen by the moon goddess herself the tension in the air was palpable as the bidding commenced eleanor s gaze met zane s a burning intensity passing between them in that moment they both felt an undeniable connection an inexplicable pull that defied the rules of their kind an alpha isn t supposed to mate with an outsider especially a slave or he will be dethroned and banished from the pack would alpha zane be able to make the slave his mate and will eleanor be able to carry out her revenge this is book 1 of the story

slavery one of the biggest sins in the wolf family but yet the alpha of all alphas was blind to see things taking place she was taken when she was just 2 and grew up as a slave she lost faith in ever getting out from the bondage and also getting a mate the night she was to be defiled by someone that s not her mate which might lead to the death of her wolf form she took the risk to escape entering the booth of a car which turned out to be the alpha of all alphas and his name is kayden arriving in his town kayden found the strange girl who was his mate in his car but rejected her her name is samantha will he send her away what will be samantha fate

rieka she was a naive chubby wolfless werewolf maltreated by her mate to the point where she loses her sanity and womb her crime was being chubby and less attractive than her peers gabriel he was a handsome strong willed womanizer who happens to a hybrid alpha prince the person he loves the most is his kid brother ralph he has searched high and low for a mate he could never find what will happen when he finds out that his beloved brother s ex wife happens to be his long awaited mate who was maltreated and is currently mentally unstable will he forgive his brother for hurting his mate or will blood flow

this volume is the first to focus solely on how specific individuals and groups in byzantium and its borderlands were defined and

distinguished from other individuals and groups from the mid fourth to the close of the fifteenth century it gathers chapters from both established and emerging scholars from a wide range of disciplines across history art archaeology and religion to provide an accurate representation of the state of the field both now and in its immediate future the handbook is divided into four subtopics that examine concepts of group and specific individual identity which have been chosen to provide methodologically sophisticated and multidisciplinary perspectives on specific categories of group and individual identity the topics are imperial identities romanitas in the late antique mediterranean macro and micro identities religious regional and ethnic identities and internal others and gendered identities literature memory and self in early and middle byzantium while no single volume could ever provide a comprehensive vision of identities on the vast variety of peoples within byzantium over nearly a millennium of its history this handbook represents a milestone in offering a survey of the vibrant surge of scholarship examining the numerous and oft times fluctuating codes of identity that shaped and transformed byzantium and its neighbours during the empire s long life

providing an indispensable resource for students and scholars studying the history of slavery this book covers the full spectrum of daily life among slaves in the antebellum south giving readers a more complete picture of slaves experiences in the decades before emancipation in their daily struggles to forge lives of dignity and meaning within an inhuman system slaves in the antebellum south demonstrated creativity resilience and an insatiable desire to be free the daily life of african american slaves in the antebellum south focuses on their struggles to create lives of meaning and dignity within a brutal and repressive system this volume provides a comprehensive examination of the institution of slavery from the perspective of the slaves themselves readers can explore family life religious beliefs political activities intellectual aspirations material possessions and recreational pursuits of enslaved people the book shows that enslaved people were tightly constrained by the harsh realities of the oppressive system under which they lived but that they found ways to forge lives of their own the book synthesizes the latest and best literature on slavery and gives readers the opportunity to examine history through the lens of daily life using primary source documents created by slaves or former slaves

it is impossible to understand america without understanding the history of african americans in nearly seven hundred entries the encyclopedia of african american history 1619 1895 documents the full range of the african american experience during that period from the arrival of the first slave ship to the death of frederick douglass and shows how all aspects of american culture history and

national identity have been profoundly influenced by the experience of african americans the encyclopedia covers an extraordinary range of subjects major topics such as abolitionism black nationalism the civil war the dred scott case reconstruction slave rebellions and insurrections the underground railroad and voting rights are given the in depth treatment one would expect but the encyclopedia also contains hundreds of fascinating entries on less obvious subjects such as the african grove theatre black seafarers buffalo soldiers the catholic church and african americans cemeteries and burials gender midwifery new york african free schools oratory and verbal arts religion and slavery the secret six and much more in addition the encyclopedia offers brief biographies of important african americans as well as white americans who have played a significant role in african american history from crispus attacks john brown and henry ward beecher to olaudah equiano frederick douglass sarah grimke sojourner truth nat turner phillis wheatley and many others all of the encyclopedia s alphabetically arranged entries are accessibly written and free of jargon and technical terms to facilitate ease of use many composite entries gather similar topics under one headword the entry for slave narratives for example includes three subentries the slave narrative in america from the colonial period to the civil war interpreting slave narratives and african and british slave narratives a headnote detailing the various subentries introduces each composite entry selective bibliographies and cross references appear at the end of each article to direct readers to related articles within the encyclopedia and to primary sources and scholarly works beyond it a topical outline chronology of major events nearly 300 black and white illustrations and comprehensive index further enhance the work s usefulness

winter cheshire a future alpha by fate but a slave mate by her father s choice lucky for her castro her third chance mate rescues her from her abusive captor to her dismay even her savior gives her a cold shoulder after bringing her to his pack after two rejections castro s unwillingness to accept her is salt on her wounds what s the point of staying if she isn t good enough for him so she runs away little does she know someone is watching her and knows the true potential of her wolf a war of betrayal redemption awakening and a fated bond is waiting to unleash on all of them just remember the moon goddess is on her side and they should be ready for winter s wrath

this detailed analysis of slavery in the antebellum south was written in 1975 in response to the prior year s publication of robert fogel and stanley engerman s controversial time on the cross which argued that slavery was an efficient and dynamic engine for the

southern economy and that its success was due largely to the willing cooperation of the slaves themselves noted labor historian herbert g gutman was unconvinced even outraged by fogel and engerman s arguments in this book he offers a systematic dissection of time on the cross drawing on a wealth of data to contest that book s most fundamental assertions a benchmark work of historical inquiry gutman s critique sheds light on a range of crucial aspects of slavery and its economic effectiveness gutman emphasizes the slaves responses to their treatment at the hands of slaveowners he shows that slaves labored not because they shared values and goals with their masters but because of the omnipresent threat of negative incentives primarily physical violence in his introduction to this new edition bruce levine provides a historical analysis of the debate over time on the cross levine reminds us of the continuing influence of the latter book demonstrated by robert w fogel s 1993 nobel prize in economic sciences and hence the importance and timeliness of gutman s critique
